

The Yun Family's Ninth Child is an Imp! Chapter 3160

Yun chujju pondered as she walked forward. Finally, she arrived at the exit of the Hundred Thousand Feet Ice Abyss. Then, this fellow was in a dilemma.

When she came down, she came down by parachute. What should she do if she went up?

Yun chujju thought for a moment. Finally, she made a Kong Ming lantern. Just as she expected, the Kong Ming lantern flew about ten feet from the ground and fell down with a thud.

Yun chujju sighed. It seemed that the hot air balloon method was also not feasible. Could it be that they could only dig out grooves bit by bit to climb up?

With such a high ice wall, it would probably take them at least half a month to climb up.

Just as Yun Chujju was in a dilemma, the Meng Yanshou in the spiritual beast bag laughed dryly and said, "Little Fairy, I have a way. I will fly up first and then fix the rope so that you can climb up along the rope."

Yun Chujju:"..."

F * ck, this curly hair must have done it on purpose!

She didn't say it earlier or later, but only said it when she couldn't think of a way. It was to show off its ability, wasn't it? !

Yun chujju narrowed her eyes and didn't say anything. She released the Meng Yanshou and handed it a rope.

Because the bottomless abyss was too high, Yun chujiu found a few ropes to tie together. It was barely long enough.

Meng Yanshou kept the ropes into its space and flew up slowly. As it flew, it shouted, "Aiyō! I'm freezing!"

"AIYO, this damn cold wind is going to cut me into pieces!"

"Aiyō, why is it so high up here? I'm so tired!"

..

Yun chujiu couldn't be bothered with it. She looked at the ice wall and couldn't help but see di beiming being sealed inside. Her nose was a little sore.

She tried her best to hold back her tears. She could not cry, she had to laugh, she had to be happy. She could not let the gigolo down.

After a long time, a rope that was tied to a huge ice block finally hung down. Fortunately, the cold wind near the ice wall had weakened a lot. Otherwise, the rope would have been broken by the cold wind.

After two hours, Yun Chujiu finally climbed up the rope and reached the top of the ice abyss.

She was a little confused when she saw the scene in front of her. She saw a huge ancient ice long lying not far away as if it was sleeping?

The Nightmare Beast floated over and said in a low voice, "Little Fairy, I met this guy as soon as I flew up. I can only weave a dream for it. Let's go quickly. It will probably wake up soon."

Yun chujiu understood and immediately put away the rope. She rode on the ancient violent bear and ran far away.

Not long after Yun Chujiu left, the ancient ice long woke up. It looked around blankly and continued to stare at the entrance of the Ice Abyss.

That damned human girl would come out sooner or later. It didn't believe that it wouldn't be able to catch her!

Yun chujiu encountered a few waves of demonic beasts on the way. Although it took a bit of effort, she finally arrived at the edge of the ancient ice plain without any danger.

Yun Chujiu gave some pills to the immemorial violent bear and sent it away.

Yun chujiu turned her head and glanced at the endless ice field. She thought to herself, 'pretty boy, wait for me. I'll be back soon.'

Yun chujiu turned her head. Her eyes were filled with a never-before-seen determination..

However, Yun Chujiu still didn't make it in time for the celebration.

This guy looked at the time and estimated that the celebration was coming to an end. He didn't know how Master Baili managed to cover up his lie.

This guy felt a little guilty. He felt that if he went in now, he would definitely become the target of public criticism. Therefore, this guy hid in the dense forest outside the mountain gate of the primordial chaos sect and secretly poked his head out.
