

The Yun Family's Ninth Child is an Imp! Chapter 3169

SU yanran sneered, "It's just a coincidence. Can a good-for-nothing like you really command the Heavenly Lightning?!"

Yun chujiu placed her hands on her waist and said with a smug look, "You don't believe me? Then I'll let you enjoy the taste of being struck by lightning again! You Little B * TCH, being struck by lightning while pretending to be cool! Kill her!"

Hearing Yun Chujiu's words, everyone raised their heads nervously to look at the sky, especially Su Yanran. She stared at the sky with full vigilance, afraid that another heavenly lightning would fall.

However, nothing happened.

Yun chujiu laughed dryly. "HMPH! I was just teasing you. Look at this time! Su Yanran, you are going against the natural order, you will be struck by lightning!"

Everyone nervously looked at the sky again, but nothing happened.

Yun chujiu cursed in her heart. This damned jinx skill, why did it not work at the crucial moment?

SU yanran sneered, "Yun Chujiu, a person should know his own limits. You Are the Heavenly Thunder Spirit Root that the Heavenly Dao can not tolerate, yet you still think that the Heavenly Thunder will help you? It is simply a joke! Don't stall for time here. Whether you die or the two of them die, you choose!"

Yun chujiu bared her little white teeth, "None of us will die, the one who should die should be you!"

Su Yanran snorted coldly and said to her subordinate, "Since she is so stubborn, let's kill one first!"

Seeing that the people from the Divine Devil Hall were going to kill Jin Zhi, Yun Chujiu quickly said, "Wait! I'll think about it again!"

Su Yanran glanced at her with contempt. Seeing her conflicted and hateful expression, she felt very pleased. She said coldly, "Then give me half an incense's time. If you still don't kill yourself by then, I'll kill them."

Yun Chujiu mumbled, "Sigh! Am I going to die or are they going to die? Logically speaking, they're all my friends. It wouldn't make sense if I didn't save them."

"But, a person only has one life. If they die, there's nothing left!"

"Sigh! I'm so worried! Should I save them or not?"

..

Su Yanran looked at Yun Chujiu and felt very relieved. Torturing her like this was even more satisfying than killing her.

Old Man Yao and Yun Chujiu's backs were facing each other. He understood that Yun Chujiu was trying to stall for time. However, they were in a dilemma internally and externally. Even if they delayed for a period of time, there would not be any reinforcements. Could she have any other way?

When everyone looked up at the sky just now, Old Man Yao wanted to save Jin Zhi and Ye Bingyu. However, the people from the Divine Devil Hall surrounded them from all sides. He could not find a chance to do so.

Su Yanran finally lost her patience. "Yun Chujiu, it's time! Are you going to kill yourself or sacrifice the two of them?"

“Su Yanran, I admit defeat today! How about this? My life is quite valuable. Besides the two of them, let the others go and I’ll kill myself!”Yun Chujiu said with a righteous expression.

Su Yanran was stunned at first, then, she laughed contemptuously. “Yun Chujiu, aren’t you treating yourself too lightly? “Even if you can escape today, you’ll be caught by my people sooner or later. “It seems that you don’t want to give up your own life. Kill them both!”

“Wait! Wait! I choose to kill myself!”Yun chujiu gritted her teeth and stomped her feet.

Su Yanran was stunned. She didn’t expect Yun chujiu to really choose to sacrifice herself to save those two people. It was extremely stupid! However, it was a great thing to be able to force her to death!
