

The Yun Family's Ninth Child is an Imp! Chapter 3172

Su Yanran was too confident. She did not expect that she would suddenly stumble. She was caught off guard by Yun Chujiu and Old Man Yao, so she could only let go of Ye Bingyu and Jin Zhi.

Yun Chujiu threw the little bastard in her sleeve to the ground. The little bastard immediately summoned his turtle shell and protected ye Bingyu and Jin Zhi inside.

Yun chujiu let out a sigh of relief in her heart. She finally managed to protect Jin Zhi and ye Bingyu. As for the other disciples, Yun chujiu was not so selfless. Su Yanran wanted to use them to force her, Haha.

Su Yanran was so embarrassed that she could not understand why she suddenly stumbled? It was really detestable!

However, even without the hostage, she could still kill Yun Chujiu.

As soon as she gave the order, the rest of the people from the Divine Devil Hall came over and entangled old man Yao.

Su Yanran waved her hands and forced Hei Xinjiu to retreat. Because she couldn't leave ye Bingyu and Jin Zhi behind, she couldn't run away now. She could only look forward to the arrival of a large group of demonic beasts.

Finally, a large group of demonic beasts rushed over. However, the level of their spiritual power was too low. They were stopped by the people from the Divine Devil Hall before they even got close to the mixed origin square.

Yun chujiu was so frustrated that she wanted to bang her head against the wall. What should she do? She had already used all the methods that she could. She had quite a number of talismans, but they were basically useless to a pervert like Su Yanran.

Moreover, the reason why she could still hold on was that Su Yanran wanted to kill her by herself. If she was shameless enough to let the crowd beat her up, she would not be able to hold on for long.

The reason why Yun Chujiu did not release her spiritual pet was because she was afraid of angering Su Yanran. If she were to let the crowd beat her up, she would really have no way of surviving.

In a moment of desperation, Yun Chujiu had a flash of inspiration. She still had dejected little lightning!

According to curly hair, when she was extremely angry or sad, little lightning would come out, but why didn't she come out now? Was it because she wasn't too angry now? Was she not too sad?

Yun Chujiu tried her best to open her eyes wide, trying to force little lightning out, but in the end, other than a pile of tears, there was nothing else!

Su Yanran was stunned. Yun Chujiu was beaten to tears by her?

She said disdainfully, "Yun chujiu, it's useless for you to cry. If you knew this would happen, why did you do it in the first place? You're dead today! Not only are you dead, all of you are dead!"

"Oh right, not only will these people die, even those who are related to you in the Tian Yuan continent and the Qing Xuan continent will not live! Especially the Yun family. I will not let a single person go. Even the servants of the Yun family will die!"

"Su Yanran, you are not a human! Aren't you afraid of retribution for helping the Wicked?" Yun chujiu gritted her teeth in anger.

"Retribution? The strong are respected. If you're weak, you deserve to die! You piece of trash, when I kill the Yun family, I'll tell them that it was all because of you that they died!"

If they hadn't picked up a bastard like you, they wouldn't have such a tragic ending. It was all because of you! Hahaha!"

The more Su Yanran spoke, the more excited she became. She felt that it was so satisfying to see Yun Chujiu clenching her teeth and feeling helpless!

Every time Su Yanran spoke, Yun Chujiu's expression turned colder. Her body was filled with anger and unwillingness! She deserved to die because she was weak? Then she had to become stronger! She had to become the strongest person in the world!

No one could hurt the people around her. If someone did that, then they would die!
