

The Yun Family's Ninth Child is an Imp! Chapter 3178

Yun chujju knew that this was a risky move, but she had no choice. If she wanted to quickly increase her spiritual power, she had to take this risk.

Moreover, she thought of a bad move. Ah, a good idea.

The gigantic body of the ancient ice long shuddered for some reason. Why did it feel that the human girl was looking at it strangely?

At this moment, the sky became even darker.

The ancient ice long raised its head and looked at the sky. It felt that something big was happening, so it shook its gigantic body and walked towards its ice cave.

Its ice cave was a huge hole dug out from a ten-thousand-year-old glacier. It took it several years to dig out this hole with its claws and claws. It could be said that it was its proudest work.

It was not boasting, but there was definitely no other ice cave as wide, sturdy, and perfect as this one in the ancient ice plains.

After walking for a while, the ancient ice long suddenly turned its head and saw the little human girl following it neither too far nor too close. It could not help but roar at her fiercely.

It originally thought that with this scare, the little human girl would turn around and run away. Who would have thought that the little human girl would look at it with a smile.., it said to it, "Hey, Little Monkey, you go your way, I'll go mine. We won't interfere with each other."

Every time the ancient ice long heard Yun chujiu call it little monkey, it had the urge to slap her to death. It looked at the darkening sky, gritted its teeth, and ignored Yun chujiu. It quickly ran toward the ice cave.

Yun chujiu strolled behind the ancient ice long with her hands behind her back. She had been staring at the ancient Ice Long's ice cave for a long time. The ten-thousand-year-old glacier was already extremely hard. In addition, the ancient Ice Long's ice cave was dug out from the glacier, the heavenly lightning would not be able to destroy it in a short period of time. It was the perfect shelter for her.

The ancient Ice Long did not know that this fellow had a black heart. After entering the ice cave, it stretched its neck and looked out.

Yun chujiu stopped a few thousand feet away from the ancient Ice Long's Ice Cave. She raised her head and looked at the gathering dark clouds.

The dark clouds that came this time were the dark clouds that struck her the last time. They trembled a few times. It was obvious that they were shouting at Yun Chujiu.

Yun chujiu remembered that it was because of this dark cloud that the pretty boy was frozen in advance. Hence, she said coldly, "Wang Ba Yun, unless you kill me today, I will make your soul scatter sooner or later!"

The dark cloud in the sky trembled violently. Wu Yun thought to himself, this little ant said that it would make its soul scatter? He really overestimated himself. Today, he would make its soul scatter!

Rumble! Rumble! Rumble!

Several purple lightning bolts struck down towards Yun chujiu.

Inside the ice cave, the ancient Ice Long's eyes were wide open. Aiyo, so this lightning bolt was aimed at this little girl? Damn it! It would be better if it killed her! To actually call it a little monkey, it really deserved to die!

Ancient Ice Long felt that after these lightning bolts, even if the little girl did not die, she would still be heavily injured. After all, each lightning bolt was as thick as a bowl!

However, the little human girl seemed to be fine. She even stretched and said, "I haven't been struck by lightning for a long time! It's so comfortable!"

Ancient Ice Long:" ..."

Is this little girl sick? Moreover, it seemed that she was quite sick. How comfortable was she to be struck by lightning?

Wu Yun in the sky was also trembling in anger. The lightning bolts kept striking Hei xinjiu.

When Yun Chujiu felt that it was about time, she took out Xiao Heiniaoy and Xiao Mogu and asked them to help resist the lightning.

When Xiao Heiniaoy and Xiao Mogu had absorbed enough, she released da Hua to resist it for a while.

When da Hua couldn't resist it anymore, she released Meng Yanshou..
