

## The Yun Family's Ninth Child is an Imp! Chapter 3179

The ancient Ice Long was dumbfounded!

Oh My God!

What the hell are these things? !

Why aren't they afraid of being struck by lightning?

The ancient ice long rubbed its eyes with its huge claws and slapped itself again. It realized that it was not a dream, it was actually real!

No wonder this little girl was so abnormal, it turned out that the spiritual pet she raised was also abnormal!

Just as the ancient Ice Long was in shock, it saw the little girl put away the Nightmare Beast and then ran toward its ice cave with a whoosh.

The ancient Ice Long was stunned at first, then it had an ominous premonition.

Before it could figure out what exactly was going on, the little girl had already jumped into its ice cave. "Little monkey, it's an emergency in jianghu. Please forgive me!"

Ancient Ice Long:" ..."

F \* ck!

What did it mean? Was it trying to take over the magpie's Nest? Or was it trying to divert the trouble? Fuck, it couldn't do that! This little girl was really too mean!

Who Did it offend?

It was a good demon beast that abided by the law. What right did it have to get involved in this mess? !

Ancient Ice Long just didn't know how to speak. Otherwise, it would definitely send Yun chujiu a loud and clear word — scam!

The ancient ice long wanted to eat Yun chujiu up, but the ice cave was limited. It was not easy for it to turn around. Furthermore, Yun Chujiu was standing on its back, so it had no way to bite her.

The one who was more confused than the ancient Ice Long was naturally the dark clouds in the sky. It had never thought that Yun Chujiu, this bad \* SS, would think of such a wicked idea.

Wu Yun was flustered and exasperated as he struck several heavenly lightning bolts at the ancient Ice Long's Ice Cave. Although those heavenly lightning bolts could turn around, they were already greatly weakened when they entered the cave. Moreover, they all struck the unlucky ancient Ice Long's body.

The ancient Ice Long was so depressed that it wanted to vomit blood. It was supposed to strike that smelly girl, but now, it had become a scapegoat. It was simply bullying a beast!

Even though the power of the heavenly lightning had weakened quite a bit, it still hurt when it struck its body!

The snow-white fur of the ancient Ice Long was quickly turned into curly fur, and it was estimated that it would soon turn into a hairless Hou!

Just as the ancient ice long could not bear it any longer and wanted to rush out of the ice cave, the human little girl rushed out with a Whoosh and roared at Wu Yun in the sky,

“Pui! You Blind Bastard, if you want to chop me, then chop me. Why do you want to hurt the innocent? The little monkey provoked you, but not only did you chop its cave, you even chopped it. You are simply Shameless!”

The ancient Ice Long was so moved that tears filled its eyes. What a good scolding, what a F \* cking good scolding! ! Wu Yun was blind, why did he want to chop it? !

Wait, that’s not right!

Why did it have to be struck? The main culprit was that damned little human girl! If she had not entered uninvited, would it have been struck by lightning?

F \* ck! She almost got it!

Wu Yun in the sky was so angry, that damned little girl! She had been a good person, and the bad things had been pushed to its head. It was too despicable!

Boom! Boom! Boom!

Countless bolts of lightning struck down fiercely at Hei Xinjiu.

Hei Xinjiu was happily absorbing the power of the Lightning. Previously, because she had become smaller, her meridians were unable to withstand so much of the power of the Lightning.

Now that she had transformed back, and her spiritual power level had increased, her endurance was naturally much stronger than the last time.

Ancient Ice Long looked at the situation outside the cave with a burning head of fireworks. This human little girl was simply Inhuman. How could she recover so quickly?
