

## The Yun Family's Ninth Child is an Imp! Chapter 3185

Yun Chujiu picked up the jade plate and looked at it. The material of this jade plate was actually the same as the jade plate that she had dug out from a few pagodas.

Yun Chujiu had never seen jade of this material in the world, and there were also no records of it in the various ancient books.

Yun Chujiu looked at the jade plate carefully. There was not a single word on it, only some strange patterns.

Yun chujiu pondered for a while but could not figure out the reason, so she kept the jade plate alone. The rest of the things were still in the box.

At noon the next day, a servant hurried over to report, "Miss, the people from the Yun family are here."

Yun chujiu nodded and strolled to the reception hall in the front yard.

When Yun Chujiu entered, she found that Old Master Ye and ye Yuanliang were standing respectfully. A middle-aged man was sitting on the main seat, and a dozen guards were sitting on the rest of the seats.

Yun Chujiu's eyes darkened, and she looked at the middle-aged man sitting on the main seat. "Who are you from the Yun Family?"

The middle-aged man looked at Yun Chujiu up and down, thinking that this ninth miss's spiritual power was not good, but she was pretty good-looking. When he heard Yun Chujiu's question, he said arrogantly, "My father is the second steward of the Yun family, and I am the steward in charge of the carriage department. You can call me manager Liu."

The corners of Yun Chujiu's mouth curled up slightly. "Then who am I to the Yun Family?"

Manager Liu pursed his lips, but he still said, "Your father is the former Duke of our Yun Mansion, and you are ranked in the ninth, so you are the ninth young lady of Our Yun Mansion."

Just a few words, and Yun Chujiu's heart was stirred up. The former Lord? This meant that either her father was dead or the position of Lord had been taken by someone. Either way, her father must have lost his power. Otherwise, manager Liu would not be so arrogant.

Yun chujiu glanced at manager Liu, who had a disdainful look on his face, she said coldly, "Since I am the master and you are the servant, why are you sitting on the main seat? Don't you people even know the basic dignity? Why Don't you greet me when you see me?"

Manager Liu was stunned. Did this country bumpkin really think that she was a dish? She was just an outdated miss, yet she still put on airs with him? She really overestimated herself!

Manager Liu said with a fake smile, "Ninth miss, you haven't entered the Jade Archive of our Yun mansion, so it's hard to say whether you are the master or the servant."

Manager Liu thought that Yun Chujiu would cower in fear after he said that. What kind of storm could a little girl from a lower continent stir up.

Yun chujiu smiled indifferently and her voice was still cold and clear. "Manager Liu, it's hard to say whether I'm the master or not, but you must be a servant. In this life, in the next life, in the next life, you are our Yun family's dog slave!

When inviting people, you must have an attitude of inviting people. Don't think that just because you used these people from the Ye family to threaten me, I will obediently give in! "People live for themselves, not for others. If you don't satisfy me today, don't even think about going back to report to me.

“Oh right, don’t think that just because your people are powerful, you can forcefully kidnap me. I have many ways to escape, and it won’t be a problem for me to drag you all along for a few years. After all, my mother played you all for a few years back then!”

“You!” Manager Liu was so angry that he gritted his teeth. His father was the one who led the capture of ye Lan back then, and he had been played by Ye Lan for a few years. He did not expect this wretched girl to be as difficult to deal with as her mother.
