

The Yun Family's Ninth Child is an Imp! Chapter 3186

The guards who were sitting could not help but stand up. They did not have manager Liu's good father. If this ninth miss really said something, they would be in trouble.

Although this ninth miss did not have much status, since they had spent so much effort to find her back, the higher-ups must have an ulterior motive, so it was better to stop when the time was right.

Manager Liu was lucky. He gritted his teeth and stood up. He thought to himself that there was still time in the future. When he returned to the Yun mansion, he would have a hundred ways to torture her. Now, he would first bring her back to the Yun mansion.

"Standing like a wooden stake. Don't tell me you don't even know the most basic etiquette?" Yun chujiu said with disdain.

Manager Liu looked at Yun Chujiu with a gloomy face. "Miss Jiu, one must leave some leeway in doing things. Otherwise, when we meet in the future, it won't look so good."

"Let's talk about the future later. Besides, how can a dog slave like you have any leeway to talk to me? ! Why aren't you coming down to greet me? !" Yun Chujiu said with a sneer.

Manager Liu almost vomited blood from anger!

He thought that this ninth miss who grew up in a low-grade continent would definitely let him flatten her. He didn't expect her to be so, so arrogant!

However, this was also good. One look and one could tell that she was an arrogant, despotic, and brainless fool. When she entered the Yun Mansion, those masters would definitely treat her well.

Manager Liu walked to Yun Chujiu's side with a gloomy face and bowed to Yun chujiu together with the guards. "Your subordinate greets ninth young miss."

Yun chujiu did not pay attention to them. Instead, she let Old Master Ye sit on the main seat, let ye Yuanliang sit on the lower right, and she sat on the lower left.

Old Master Ye and ye Yuanliang's foreheads were covered in sweat. They were trembling in fear. What was little jiu doing? If she did this now, how could she have a good ending in the Yun Family?

Although the two of them were drumming in their hearts, they didn't dare to persuade her. They could only sit on their seats without saying a word.

Yun chujiu asked the servants to bring over tea and pastries again and started to eat.

Manager Liu and the others were left in the middle of the living room. They were so depressed that they wanted to bang their heads against the wall.

Manager Liu couldn't take it anymore. "Miss Jiu, it's getting late. We should set off! If we can't make it back in time, the princess will be angry."

Yun Chujiu's heart skipped a beat. He didn't say that the Prince would be angry, but that the princess would be angry. It seemed that this manager Li and his father should be the princess' people.

"What's the hurry? You've waited for so many years, and you still need such a short time? If I'm not full, how can I have the strength to hurry on my way? Could it be that you're carrying me?"

Manager Liu gritted his teeth and stood like a wooden stake in the middle of the living room, watching Hei Xinjiu eat and drink.

Finally, Hei Xinjiu finished eating a plate of pastries, then stood up and bowed respectfully to Old Master Ye and Ye Yuanliang. "Great-grandfather, great-grandfather, little jiu is leaving now. You two take care."

Ye Yuanliang's eyes reddened. Although he had some use and schemes in his heart, he still felt some pity for her. He sighed and said, "Little Jiu, be careful."

Ye Yuanliang also said, "Little Jiu, the Yun family is not like our ye family. Don't be willful and act recklessly. Take good care of your mother."

Yun chujiu nodded and looked at manager Liu and the others with disdain. "Let's go. Do you want me to invite you? You don't have any discerning eyes and don't know how you became a manager. The people of the Yun family probably don't have good eyesight."
