

The Yun Family's Ninth Child is an Imp! Chapter 3188

When Yun Chujiu regained her sight, she realized that they were standing on a stone platform. It was exactly the same as what she had seen before. It must be a teleportation array in atlas mainland.

Yun chujiu slowly walked down the stone platform. When she saw manager Liu's smug expression, she sneered in her heart. Did he think that she was already in Atlas mainland, so she could only be at his mercy? He was really naive and stupid!

Just as Yun Chujiu was thinking about it, she heard manager Liu say in disdain, "Miss Jiu, now that we have arrived at the towering Sky Continent, I advise you to be more sensible. Otherwise, there will be no benefits for you."

Yun chujiu looked at the surrounding environment and said indifferently, "Manager Liu, your brain is probably not very good. No matter where you are, it can't change the fact that I am the master and you are the servant. I also want to give you a piece of advice. If you provoke me even a little, I will repay you a hundred times more when I return to the Yun mansion. If you don't believe me, you can try."

Manager Liu's expression changed a few times. Although he did not think that Yun chujiu would be able to stir up any trouble, when he thought of the Princess' methods, he still felt that it was better to complete the mission first, when he returned to the Yun mansion, he would have a way to deal with this B * TCH.

Thus, manager Liu pointed in a direction and said, "Miss Jiu, let's go this way. Demonic beasts are rampant here. The lowest level is a level 46 demonic beast, so you'd better be careful."

Yun chujiu walked forward without commenting. She pondered for a few days and felt that this time when she returned to the cloud mansion, her principles were only two words — arrogant!

The Yun mansion could not wait to bring her back. Either they had some ulterior motive or they were trying to shut others up. No matter what the reason was, they were reluctant to kill her. At least for the time being, her life would not be in danger.

Since that was the case, she would not be bullied. She would do whatever she wanted to be arrogant. She wanted to see what they were up to!

After walking for a short distance, a huge tiger blocked their way. Yun chujiu did not know the name of this tiger, but it was clear that its spiritual power level was very high.

Yun chujiu said lightly, "I have no choice. I am a waste, so I will leave this kitten to you."

Manager Liu and the others:"..."

Damn it, why did they feel that this guy was even more proud when he said that he was a waste than when he said he was a genius? Could it be that the immortal essence continent was proud of being a waste? !

Lie Yan was even more confused. Damn it, you are the little cat, I am the iron-tailed flaming gorgeous tiger!

Yun chujiu hugged her shoulders and watched the few guards fighting with the tiger. The Tiger was outnumbered and quickly fled in a panic.

Yun Chujiu's heart trembled. When these people were in the immortal essence continent, their spiritual power level seemed to be restricted. Now that they had recovered, their spiritual power level was not just a little bit higher than hers. She was really weak now!

TSK TSK, but thinking about it, she was very excited!

She liked the process of becoming strong from weak. She liked the way these people looked at her with displeasure but could not kill her. She liked stepping on these people who looked down on her step by step!

Along the way, they encountered a few waves of demonic beasts. Although manager Liu and the others were slightly injured to varying degrees, it was not a big deal.

After they left the dense forest, they flew for another three days on flying spirit tools and saw a towering city in the distance.

Yun chujiu could not help but sigh. They were indeed afraid of comparing goods! She had previously thought that the cities in the immortal essence continent were very grand and magnificent, but compared to the city in front of her, there was simply no comparison!
