

The Yun Family's Ninth Child is an Imp! Chapter 3189

After the flying spiritual device landed, hei xinjiu slowly walked down.

She raised her head and looked at the two big words on the city — an Cheng. This guy curled his lips. What a vulgar name! It was simply not worthy of such a high-class city.

When Yun Chujiu was looking around, she heard a commotion behind her. “Get out of the way! Get out of the way! The crown prince is back in the city!”

Yun chujiu subconsciously turned around and saw a few young men and women riding a spirit beast that looked like a horse. There were also some walking soldiers behind them.

The Man in the lead was riding a snow-white spirit beast. He had sharp eyebrows and bright eyes. He was quite good-looking, but to Hei Xinjiu, who was used to seeing all kinds of beautiful men, he was nothing special.

The man was dressed very luxuriously, and they had previously called him the Crown Prince? Could this be the so-called crown prince? Yun Chujiu felt that it was getting more and more interesting. This towering sky continent seemed to be different from the immortal origin continent. It seemed that it should be ruled by the royal family.

Manager Liu glanced at Yun Chujiu, and he despised her in his heart. What a country bumpkin! Seeing the crown prince, he was like a flower, like a fool. He didn't even know how to bow and avoid him.

Manager Liu's eyes flashed, but he did not remind Yun chujiu. He thought that it would be good for this B * Tch to offend the crown prince so that he could vent his anger.

Yun chujiu naturally would not stand in the middle of the road and wait to be hit. She came back to her senses and lightly jumped to the side to make way for him.

When Yun Chujiu saw manager Liu and the guards kneeling on the ground, she frowned. Could it be that she had to kneel and bow too? She didn't want to kneel down to this Bullsh * t crown prince!

Thus, this guy... squatted... next to manager Liu.

Manager Liu:" ..."

Are all the people in the immortal Yuan continent bowing like this? Squatting?

Fortunately, the crown prince was obviously not interested in them. He didn't even look at them and walked past them.

Just as Yun Chujiu was about to get up, she heard a gentle voice, "Liu Hua? Why are you here?"

"Greetings, Princess Xi Yue. I was ordered by the Princess to go to the Immortal Yuan continent to fetch the ninth miss back," manager Liu said respectfully. His attitude towards Yun chujiu was like the difference between heaven and earth.

"Could it be that this lady is my poor ninth sister? Ninth sister, please stand up quickly. How can you give such a big gift?"The woman said with a distressed tone.

Yun chujiu raised her head and looked at the woman who spoke. She had a beautiful appearance and an elegant temperament. She said that she would get up quickly, but she didn't even get down from the Spirit Beast. Obviously, it was just a formality to win people's hearts.

What a big white lotus flower. TSK TSK, interesting.

Yun chujiu sat on the ground and muttered, "I'm really sorry, my legs are numb! Who Are You?"

Manager Liu said arrogantly, "How dare you! This is Princess Xi Yue!"

Princess Xi yue reprimanded softly, "Liu Hua, don't be rude! Ninth sister, I'm your third sister. I still have to accompany the crown prince to the palace to meet the Empress. After we return to the residence, we can have a good chat."

Before Yun Chujiu could speak, the crown prince looked at Yun chujiu with disdain, as if he was looking at something. Then he said, "Xi Yue, she's just an irrelevant person, why bother talking to her? Let's Go!"

Princess Xi Yue looked at Yun chujiu apologetically, then urged the spirit beast to follow.

The young men and women behind Xi Yue looked at Yun chujiu a few times, then revealed contemptuous expressions and followed.
