

The Yun Family's Ninth Child is an Imp! Chapter 319

Elder Qu saw the stupefied expressions on Master Xuanyuan and the others' faces and instantly felt a lot more at ease. Speaking of which, they were also shocked back then!

"Sect master, the crux of the matter now isn't that we won against the Heavenly Gates Sect, but that Yun Chujiu is worthy of first place. Back then, you promised her that if she were to rank within the top ten, you would acknowledge her as Little Ancestor Yun!" Elder Qu saw that Master Xuanyuan and the others had yet to react, so he quickly reminded them.

Only then did everyone understand why Elder Qu and the others were still unhappy even after winning!

That was right! Yun Chujiu, that little girl, unexpectedly got first place, so they had to acknowledge her as Little Ancestor Yun! That was really depressing!

That little girl was already smug to begin with. If she also had the Little Ancestor Yun identity, Spirit Radiance Sect would be turned upside down by her!

Master Xuanyuan did not have much of a reaction. He said indifferently, "Since we've already discussed this, then we can only acknowledge Yun Chujiu's identity as Little Ancestor Yun! Get Yun Chujiu over here!"

Although the others were unwilling, they had nothing to say.

Everyone thought to themselves, it would be great if Yun Chujiu would voluntarily give up the identity of Little Ancestor Yun! However, that was pretty much impossible. That little girl was so capable of showing off. Why would she even let go of such an opportunity?! After a short while, Yun Chujiu came skipping over.

She was so proud of herself that she even walked with her hands behind her back.

“Everyone’s here? Not bad, not bad. You are indeed worthy of being taught!” Yun Chujiu nodded slightly at the crowd. Her demeanor was really great!

The corners of everyone’s eyes twitched. What did she say? It had not even been officially announced yet, and this girl was already starting to act like Little Ancestor Yun!

Master Xuanyuan had a high level of self-restraint. He smiled faintly and said, “Yun Chujiu, you’ve obtained first place in this new disciple trial. According to our agreement, from today onwards, you’ll be Spirit Radiance Sect’s Little Ancestor Yun!”

“The tenth generation of the Spirit Radiance Sect’s Sect Master, Master Xuanyuan, pays his respects to Little Ancestor Yun!” Master Xuanyuan bowed respectfully to Yun Chujiu.

When the others saw that things had come to this, they could only bow respectfully to Yun Chujiu.

Yun Chujiu’s mouth was opened so wide that it almost reached her cheeks. She lowered her hand slightly and said, “Children, get up!”

Everyone almost spat out a mouthful of blood. When they thought of how much that scene would happen in the future, they instantly felt that they had nothing left to live for!

Yun Chujiu was amused to see their twitching expressions.

Everyone was so angry that they were twitching. Her happiness was entirely based on their pain. It was too infuriating!

Master Xuanyuan looked calm and asked respectfully, “Little Ancestor Yun, which mountain do you want to live on in the future? After you choose, I can help you set up a new courtyard.”

Yun Chujiu tried hard to hold back her laughter and blinked her eyes. Then, she said, "Little Xuanyuan, I appreciate your kindness! However, after careful consideration, inconveniences will befall you kids if my identity is announced. Therefore, I've decided not to announce this news to the public for the time being!"

What?

Could it be that there was something wrong with his ears?

This little weirdo had actually become so understanding?

Everyone looked at Yun Chujiu in shock. They really could not believe what she just said.

Master Xuanyuan was also stunned. "Yun Chujiu, what do you mean?"

Yun Chujiu said with a smile, "As long as you acknowledge my identity, there's no need to announce it to the public! Other than you probably being requested by me often, you can just treat me as an ordinary disciple! How is it? Does this little ancestor have the demeanor of an elder? I'm doing this for your sake! My greatest strength is that I'm too soft-hearted!"

When everyone heard Yun Chujiu's words, they were both surprised and delighted. This was simply too good!

When they thought of bowing to this little girl in front of their disciples, it was simply too awkward!

"Little Ancestor Yun is truly magnanimous. She is indeed worthy of being Patriarch Linghua's true disciple!"

“That’s right, Little Ancestor Yun has a heavenly Thunder Root Spirit. She’s naturally different from ordinary people!”

“That’s right! Little Ancestor Yun’s decision is really too wise!”

...

Master Xuanyuan felt that with Yun Chujiu’s personality, she definitely would not be so simple. Could this little girl be up to no good again?!
