

## The Yun Family's Ninth Child is an Imp! Chapter 3190

Manager Liu felt that Yun Chujiu would definitely be dealt a great blow. He looked at Yun chujiu proudly, but he didn't expect Yun Chujiu to stand up and Pat the dust off her body, he said with a faint smile, "Let's go. Do you still want to kneel here and be a mushroom?"

Manager Liu:"..."

The soldiers guarding the city only let everyone into an city after checking manager Liu's identity.

It was bustling with people in an city. Yun chujiu looked around curiously.

Manager Liu curled his lips in disdain. What a country bumpkin! Such a country bumpkin could not be compared to Princess Xi Yue. They were like heaven and earth. However, Princess Xi Yue was going to marry the crown prince in the future. She was a good-for-nothing. TSK TSK.

An city was different from some cities in the immortal Yuan continent. People could ride small-sized spirit beasts in the city. Most of the people were riding spirit beasts similar to the ones that Princess Xi Yue and the others were riding on, however, it did not seem to be as high-grade as the ones that Princess Xi Yue and the others were riding on.

As an city was very big and the imperial residence of King Yun was very far from the city gate, manager Liu and the others also summoned those spirit beasts that looked like horses.

Manager Liu led an old horse that was about to lose all its fur and said to Yun chujiu, "Miss Jiu, I'm really sorry. This kind of wildebeest has a violent temperament, so you should ride this old horse to avoid falling down."

Manager Liu's eyes were full of schadenfreude. It was a great shame for her to ride this old horse around the city! No one else could say anything. After all, she was a trash from the immortal Yuan continent, so she could only ride this kind of docile old horse.

Yun chujiu looked at manager Liu meaningfully and said indifferently, "I have a mount, so you should ride this old horse yourself. Your Brain is not working well. If you fall again, you will directly become a fool!"

Manager Liu was so angry that his face was red and his neck was thick. He angrily put away the old horse and thought to himself, "B \* tch, if you want to suffer yourself, then you can't blame him!"

This B \* TCH must not know that the spiritual power of the people in an city was much higher than that of the people in the immortal essence continent. Its spirit beast would definitely not be able to withstand the pressure, and when the time came, it would definitely be scared to the ground and see how she would end up.

Yun chujiu slowly released the giant rabbit and then turned over to ride on it. She said to manager Liu, who had a dumbfounded look on his face, "Let's Go!"

Manager Liu:"..."

Rabbit... rabbit? She actually rode a rabbit? What kind of rabbit was this? How could it be so big?

Manager Liu took a closer look. A Level 1 rabbit?

Manager Liu gloated over Yun Chujiu's misfortune. This rabbit was probably going to be scared to death by the pressure and collapse on the ground.

However, he could only watch as the giant rabbit jumped up and down. Not only was it scared to death, but it even ran faster than their wildebeest. What the F \* ck!

Everyone in an city was attracted by Yun Chujiu's strange mount. Who Was this little girl? Why was she riding a rabbit?

Yun chujiu waved her claws at the crowd and said weakly, "I'm the ninth miss of the Yun mansion. I'm poor and can't afford a wildebeest, so I can only ride a rabbit."

Manager Liu almost fell off the horse. This D \* MN B \* Tch! If she said that, didn't she put the entire Yunwang mansion in it?

Manager Liu quickly explained, "Everyone, our ninth miss's spiritual power is too low, so she can't ride a wildebeest. It's not a matter of money."

Yun chujiu sighed. "Whatever you say, whatever you say. Sigh!"
