

The Yun Family's Ninth Child is an Imp! Chapter 3192

Yun chujiu could not help but exclaim in admiration when she entered the Yun mansion. The Yun mansion seemed to have a deep foundation, and each scene and object was quite ingenious.

"Miss Jiu, the princess has instructed me to bring you to rest first. I will wait until tomorrow morning to pay my respects to the old prince and the Old Princess." Zhang Mama said respectfully.

Yun Chujiu's eyelashes were empty. Naturally, she could see that Zhang Mama was pretending to be respectful, because the trace of disdain in her eyes was dazzling to the eye!

Yun chujiu smiled faintly. "Mama, are you sure this is the Princess' intention?"

"Of course it is the princess' intention." Zhang Mama panicked. What did this country bumpkin mean by asking this?

"Oh?"? If it really is the princess' intention, then I am a little puzzled. This is the first time a junior of mine entered the residence and did not go to visit his grandparents. Instead, he went to rest on his own. Isn't this setting me up to be unfilial? "Can you explain this to me, Mama?" Yun chujiu stared coldly at Zhang Mama.

Zhang Mama couldn't help but take a few steps back. In her heart, she felt that things weren't going well. The old Duke and the old consort didn't like the Ye family. If this country bumpkin didn't pay a visit, she would lose even more of her status.

Who would have thought that this country bumpkin would actually see through the consort's intentions. It was really quite bad. She naturally couldn't say that this was the Princess Consort's intentions now, or else the Old Royal Highness and the Old Princess Consort would definitely be displeased with the Princess Consort.

Zhang Mama could only dryly say, "This, ninth young miss, this, this is this old slave's intentions. This old slave thought that ninth young miss's spiritual power was low and that after a long journey, she might be too tired. Therefore, it's also fine to visit the old Royal Highness and the Old Princess Consort Tomorrow."

Yun Chujiu looked at Zhang Mama coldly. "Oh, so it's your idea. Come here, I have something to tell you."

Zhang Mama had no choice but to brace herself and walk up to Yun Chujiu, Yun Chujiu reached out her hand and slapped Zhang Mama Hard. "You Smart Dog! Do you know that by doing this, not only did you accuse me of being unfilial, but you also accused the princess consort of being unjust? What crime should you commit? !"

Zhang Mama was stunned by Hei Xinjiu's Slap!

She was the most popular person in front of Consort Yun. Even Consort Yun had never hit her before. How could she be beaten up by this country bumpkin today?

Everyone was stunned by the unexpected turn of events and was completely silent.

Yun Chujiu said coldly, "What? You still feel wronged after I taught you a lesson? Could it be that what you said just now was really said by the Princess Consort?"

What could Zhang Mama Say? She had no choice but to swallow her words. With a swollen face, she said, "Miss Jiu, you taught me a lesson. It's my fault that I was careless and spouted nonsense."

Yun Chujiu snorted coldly, "I rarely teach servants a lesson, but you are really too outrageous! My Hand is hurting a little, how should you be punished? !"

Zhang Mama's heart was like a dog that was bawling!

So not only did she get beaten up, but she also had to apologize because her hand hurt?

Zhang Mama gritted her teeth and said, "It's all my fault, I know it's My Fault."

Yun chujiu nodded with satisfaction, "In that case, slap yourself! Consider it as an apology for me! Remember to use more force, or else it shows that your sincerity is not enough."

Zhang Mama looked at Yun Chujiu in disbelief. This B * Tch was really going too far! Just as she was about to speak, she heard Yun Chujiu say faintly,

"Grandma, you are a smart person. Tell me, if I tell grandfather and grandmother what you said, what will they think of that virtuous princess of yours?"

"Do you think they don't believe me? I'm sorry, I recorded it with a recording stone. TSK, TSK, so do you smoke or do you smoke?"
