

The Yun Family's Ninth Child is an Imp! Chapter 3198

Yun chujia bared her little white teeth at the old princess. "Grandmother, please don't be angry. Anyway, we have a lot of time. The truth will come out eventually."

Manager Liu, let me ask you. Since you said that I bribed you with Spirit Stones, how many spirit stones did I give you?"

Manager Liu's heart was like a beeping dog. He didn't even receive a single spirit stone! How much should he say now?

Manager Liu gritted his teeth, closed his eyes, and said, "One million high-grade spirit stones."

Yun chujia curled her lips. "TSK tsk, manager Liu, can you think before you speak? One million high-grade spirit stones is enough for you to take the risk of offending Zhang Mama or even eldest aunt? Think carefully, how many spirit stones did I give you?"

Manager Liu: "..."

This was not a joke!

How could two people who gave, took, and accepted bribes be like this? !

Manager Liu almost shouted, "Ten million! Ten million should be enough, right? ! You gave me ten million high-grade spirit stones and then asked me to help you with your work. I feel that since you've already slapped Zhang Mama, she won't hold a grudge against me if I hit her again, so I hit her."

After manager Liu finished shouting, he almost collapsed on the ground. He finally got over it. No matter what, the princess was the mistress of the household. It was better to be punished than to offend the princess.

“Grandmother, alright, I admit that I gave manager Liu Ten million high-grade spirit stones.” Yun chujiu said with her head lowered.

Everyone was in an uproar. Was this Yun Chujiu a fool? She actually admitted it? TSK TSK, as expected, the people from the lower-grade continent were not smart. They were just waiting to be sent to the manor!

The people who were sent to the manor could not even compare to the servants in the manor. Not only did they not eat or drink well, they also had to personally plant the spirit fields and raise spirit beasts. It was simply inhuman torture.

The old imperial consort was so angry that she trembled slightly. “Good! Very good! As expected of the daughter of the Ye family. She hasn’t even entered the Cloud King Manor yet and has already bribed the servants of the Cloud King Manor. You, you, men, take her away. I don’t want to see her again!”

“Grandmother, I did give manager Liu Ten million upper grade spirit stones, but it wasn’t to bribe him. I wanted him to help me buy some good cloth, and then use it to make clothes for you and grandfather.”

“Wu Wu, this ten million spirit stones is already my entire fortune. Now, not only am I unable to buy the cloth, I’ve even been bitten by him.”

“Wu Wu, I know that I’m not well-liked by others. Otherwise, it wouldn’t have been so many years. Grandfather and grandmother also didn’t look for me, allowing me to fend for myself.”

“SOB, SOB, sob. It’s a good thing that I triggered the recording stone by accident. Listen to it for yourself.”

Hei Xinjiu opened the recording stone while wiping her tears. Zhang Mama’s voice came from the stone:

“Miss Jiu, the princess has instructed us to take you to rest first. We will visit the old Prince and the Old Princess Tomorrow Morning

“Granny, are you sure that this is the princess’idea

“This is naturally the consort’s intention.”

..

Everyone was stunned!

Heavens, even though this Zhang Mama didn’t scold the old man or anything like that, she did indeed let this country bumpkin go to rest first.

Everyone was shrewd and naturally understood the hidden meaning. Presumably, Consort Yun wanted to trick this little girl, but she didn’t expect to be tricked by this little girl. This was going to be interesting!

The expression on the old consort’s face could be said to be very complicated. At this moment, she completely understood the ins and outs of the matter and coldly glanced at Consort Yun.

Consort Yun’s hands clenched together under her sleeves. This stinky girl was indeed as difficult to deal with as her slut mother. She had really underestimated her.
