

The Yun Family's Ninth Child is an Imp! Chapter 3199

Consort Yun secretly gritted her teeth and walked up to Zhang Mama, giving her a hard slap on the face. "Lowly slave! I usually treat you well, why did you fake my words to frame little ninth girl? What are your intentions?!"

Zhang Mama's teeth had been knocked out by Consort Yun. She knew that Consort Yun had already given up on her, so she could only take the blame.

Zhang Mama kept kowtowing. "It's all this servant's fault. This servant really can't stand this country bumpkin flaunting his power.

"She's just a country bumpkin from a low-grade continent. She doesn't have the qualifications to be the miss of the Yun mansion. She might even drag down the reputation of the other young ladies. So, this servant took matters into my own hands. This servant accepts the punishment."

Consort Yun looked at Yun chujiu with a guilty expression. "Little Jiu, it's all because of first aunt's lax command. First Aunt Will Apologize to you!"

Yun chujiu nimbly dodged to the side. "First aunt, you're Killing Me! What does the mistake of a dog servant have to do with you, first aunt? It wasn't you who ordered it, right?"

Consort Yun was so angry that she almost fainted. However, she still smiled and said, "Little Jiu, it's good that you're not angry with first aunt. First aunt will definitely make it up to you in the future."

Consort Yun emphasized the word 'make it up'. Yun chujiu naturally knew that she was threatening, but she was never afraid of threats.

Moreover, even if she was nice to her, Consort Yun would still harm her. Since that was the case, would she still spoil her for the New Year? !

“Grandmother, since first aunt has said so, I have nothing more to say. As long as you’re not angry with Little Jiu, little jiu will be satisfied. After all, being able to be filial to you and grandfather is Little Jiu’s greatest wish.”

Although Yun Chujiu said so, her tears fell one after another. Her small appearance was as pitiful as it could be.

Although the old imperial consort did not like her, she still could not bear to see her like this. She said coldly, “Old Master, how are you going to deal with these two unruly slaves?”

“Zhang Mama is the main culprit. She framed little jiu. Then, send her to the manor! Liu Hua is an accomplice. Remove him from his position as the steward of the carriage department. He will be punished with a hundred canes to see the effect,” imperial consort Yun replied respectfully.

Seeing that Consort Yun did not show any favoritism, the old consort nodded slightly and said, “Boss, the Ye family is not in the manor. Little ninth has just entered the manor. You should pay more attention to her matters in the future.”

Yun Chujiu’s heart sank when she heard this. Her mother was not in the manor? Then where was she? Of course, she would not ask stupidly. She could see that the old consort obviously did not like her mother very much. It was better to find an opportunity to ask someone else.

Consort Yun was naturally full of promises. Then, she asked someone to bring Zhang Mama and manager Liu Away.

Hei xinjiu stretched out her little paw. “Aunt, wait a moment! Manager Liu took my ten million upper-grade spiritual stones to buy the cloth. He asked him to return the money to me first before letting him go. Otherwise, if he goes back on his word, I won’t have anywhere to cry.”

Manager Liu finally understood why Yun chujia admitted to giving him ten million upper-grade spiritual stones just now. Damn it, she was trying to take advantage of him empty-handed. He had been cheated again!

But, what could he do?

He was already guilty. If he said that he didn't have any spiritual stones, this black-hearted girl might come up with another way to frame him.

He had every reason to believe that since this bad news bag had Zhang Mama's recording stone, it was highly likely that she had his recording stone too.
