

The Yun Family's Ninth Child is an Imp! Chapter 3201

Everyone thought that Yun Chujiu, a little girl, would be extremely embarrassed after hearing the Crown Prince's words. She might even cry out. Who would have thought that the little girl would be standing there with a smile on her lips, it was as if she had not heard anything.

Everyone pursed their lips. This country bumpkin probably did not realize that the crown prince was talking about her. Otherwise, how could she be so calm.

The crown prince, Leng Tianche, looked at Yun chujiu with even more disgust. This country bumpkin couldn't even understand his words. Was the Imperial Tutor's brain damaged?

Leng Tianche thought of what his father had once said to him and simply felt that it was extremely laughable!

Just as Leng Tianche was thinking about it, Consort Yun, Zheng Shi's words interrupted his thoughts. "Your Highness is right. We will do as your Highness Orders."

Leng Tianche nodded, then looked at Yun chujiu and said sarcastically, "Who is she? Why isn't she here to kowtow when she sees me?"

Everyone looked at Yun Chujiu gloatingly. When the crown prince came in earlier, everyone had bowed. The crown prince was obviously going to punish Yun Chujiu and avenge Princess Xi Yue.

Although according to the etiquette, everyone had to kneel and worship the crown prince when they saw him, most of the time these young ladies from the prestigious families would just bow to him. The crown prince would not pursue the matter.

However, today, it was obvious that the crown prince was going to take care of Yun Chujiu. There would be a good show to watch!

Yun chujiu narrowed her eyes. Was this Bullsh * t crown prince crazy? Did she provoke him? It seemed that even the crown prince was not a good person. Ao Ji was not a good person, and this crown prince was even worse!

Yun chujiu was naturally unwilling to kneel and worship. What right did a bullsh * t crown prince have to make her kneel and worship? However, if she did not kneel and worship, this crown prince would definitely punish her. She still had many things to do.., she could not lose her little life just like that.

Leng Tianche saw that Yun Chujiu did not move for a long time, and his face immediately darkened. "What? You actually dare to disobey my orders? Or do you not take me seriously at all?"

Princess Xi Yue's face revealed a worried expression, she gently advised, "Your Highness, Little Sister Jiu is new here. She did not deliberately ignore your highness' words. Maybe, maybe she did not react in time. Little Sister Jiu, didn't You Hear What Your Highness Said? Hurry up and come over. Don't Make Your Highness angry."

Yun chujiu rolled her eyes in her heart. As expected of a white lotus flower. It looked like she was pleading for her, but in fact, she was adding fuel to the fire.

Sure enough, when Leng Tianche heard Princess Xi Yue's words, his face became even gloomier. He stared at Yun Chujiu fiercely.

The old imperial consort was afraid that Leng Tianche would get angry, so she glared fiercely at Yun Chujiu. "Little Jiu, what are you still standing there for? Hurry up and Kowtow to His Highness the Crown Prince!"

The old imperial consort couldn't help but feel stifled. This little girl seemed to be quite clever before, but why was she now in a Daze? As expected, those from the lower-class continent couldn't be put on the stage.

Yun chujia seemed to have woken up from a dream. She shivered a few times and then said weakly, "Ah, ah, His Highness the Crown Prince is talking to me? I thought he was talking to sister Xi Yue."

Everyone: "..."

No wonder her expression was normal and she did not have any reaction. It turned out that she really did not know that the crown prince was talking about her? She was really stupid!

However, she was quite smart just now. Why did she suddenly become stupid? She was probably scared by the Crown Prince's majesty. After all, she was a country bumpkin who had not seen much of the world.
