

The Yun Family's Ninth Child is an Imp! Chapter 321

Yun Chujiu was the best at giving people a sweet slap. Seeing everyone's pained expression, she said sincerely, "Everyone, do you think I'm a little greedy?"

Everyone was silent. 'Is there a need to ask? You're not just a little greedy. You're very greedy!'

"Actually, I have my own difficulties! 'I'm not a greedy person, but I'm too weak now. I need to have some means to save my life! If I'm captured by others, you will definitely save me as a sign of respect to your teacher, right? 'If they come up with any excessive conditions, you will be in a dilemma! 'Why don't you give me something good and let me be safe! Am I right?"

The grievances in everyone's hearts dissipated a little. What Yun Chujiu said made some sense. She was only at the fourth level of the Spirit Enhancement realm, so she was indeed too weak!

"Moreover, I have the heavenly Thunder Root Spirit. I'll definitely soar to the sky in the future. I'm not someone who doesn't repay kindness. In the future, I might be rich. When that time comes, you can choose any high-grade spirit tool or high-grade medicinal pill you want! If it's not good enough, I'll use lightning to help you strike whoever you dislike!" Yun Chujiu's face was full of sincerity. The sincerity in her eyes was so touching that it almost made people cry!

The remaining dissatisfaction in everyone's hearts had also dispersed. Although Yun Chujiu was not great, she was still pure-hearted. From the looks of it, they were a little stingy! Alas, they had lived for a few hundred years in vain. They were even worse than a fifteen-year-old child. How shameful!

Master Xuanyuan could not help but sigh. This Yun Chujiu's control over people's hearts was really amazing. How did a fifteen-year-old little girl do this? It was truly heaven-defying!

Seeing that everyone was satisfied, Yun Chujiu smiled and said, "Little Xuanyuan, since there's nothing else, I'll go back first. See you again in the future. I'm still that little disciple of Spirit Radiance Sect. See you later!"

Master Xuanyuan waved his hand, indicating that she could leave!

Yun Chujiu hopped out of the meeting hall and headed straight for the dormitory!

“Master, why didn’t you let them announce your identity?” the rolling pin asked in puzzlement.

“A tree that stands out in the forest will be destroyed by the wind! I don’t want to become a target for some people! Besides, what if they capture me and threaten Spirit Radiance Sect? How great is it now that I made a huge profit and even obtained the fragment of the great Void Mirror! Let’s go back quickly and interrogate Furry!” On the way back, Yun Chujiu made a decision, after repeatedly weighing the pros and cons, she made the decision not to reveal her identity.

Yun Chujiu returned to her dormitory and simply tidied up. Then, she shouted angrily, “Furry, get out here!”

Furry flew out from between Yun Chujiu’s brows and rolled on the ground happily. “Hahaha! I finally get to see the outside world! This is great!”

Yun Chujiu gritted her teeth. “Furry, why did you take me out of the realm? You caused my image to be seriously damaged! Were you purposely taking revenge on me?!”

Furry hurriedly explained, “Master, there’s nothing I can do about it! The main body of the great Void Mirror recognizes you as its master, so it naturally can no longer exist outside of your body!”

Yun Chujiu thought for a moment and felt it made sense. It seemed like she had wronged Furry!

“Alright! Let’s turn the page! Furry, hurry up and get me some high-grade spirit herbs. I need it!” Yun Chujiu thought to herself that she had been plucking sheep’s wool in the spirit herb garden many times, and it was the perfect time to get some spirit herbs to return to Elder Qi!

Furry's eyes flickered with guilt as it stammered, "Master, master... There's something I need to tell you!"
