

## The Yun Family's Ninth Child is an Imp! Chapter 3213

Everyone immediately stood up. The old imperial consort of the Yun Imperial residence was indeed very honorable. The crown prince and the four princes had actually come personally to celebrate their birthday.

Yun chujiu blinked her eyes and obediently stood up from the chair behind the old imperial consort. Then, she stood beside Ji Mama.

She knew that that damned crown prince, Leng tianche, didn't like her, so it was better not to let him catch her in the act.

Yun Chujiu's gaze fell on the four princes who were half a step behind. They were all quite good-looking and looked like brothers.

However, the royal family did not have any real family ties. They were probably thinking of taking down Leng Tianche so that they could replace him.

Leng Tianche exchanged some pleasantries with the four princes and then presented a birthday gift. Naturally, they were all valuable things.

Princess Xi Yue's smile grew wider when she saw that the crown prince had arrived. Even if that B \* Tch really had the green eyes of an old fart, it would be useless. As long as she became the crown prince's consort, even that old fart would have to listen to her.

Everyone chatted for a while without feeling awkward. Fifth Prince Leng Tianhong's gaze fell on Hei Xinjiu, who was pretending to be a mushroom. He asked with a smile, "Old consort, is the person standing behind you the ninth young miss who just returned to the residence?"

The old princess wanted to praise Yun Chujiu, so she said with a smile, "Little Ninth Girl, why don't you go and greet the Crown Prince and the other princes?"

Hei Xinjiu could only walk to Leng Tianche and the other princes meekly and bowed, "Yun chujui pays her respects to the other princes."

The crown prince snorted, but the fifth Prince said with a smile, "Ninth young miss, you don't have to be so polite. I heard that ninth young miss is not in good health. It's too tiring to stand here. Please sit by my side."

Yun chujui could see that the fifth Prince had an ulterior motive from his smile. She lowered her head and said, "Thank you, fifth prince, but I have to serve grandmother..."

Before Yun Chujui could say anything, she heard the old consort say, "Little ninth girl, since the fifth Prince wants you to sit, you can sit there!"

Yun Chujui: "..."

Hei Xinjiu had no choice but to sit by the fifth Prince's side reluctantly. The fifth Prince asked her if she was thirsty and also asked her about her body. In short, he was very attentive.

There must be something wrong with the matter. Yun chujui really could not understand what the fifth prince wanted from her, so she only answered perfunctorily. When she really did not want to talk, she would cough a few times. In any case, her body was not good., no one could find anything out.

Princess Xi Yue saw that Yun chujui actually caught the fifth Prince's eye, and her heart became even more jealous. The fifth Prince was the most handsome man in East Phoenix Country, and his words were humorous. It was a pity that he could not inherit the throne. Otherwise, she would definitely choose the fifth prince.

However, the fifth Prince would not really like that B \* Stard. It was probably just a temporary novelty. After all, no one would marry such a good-for-nothing country bumpkin who did not live long.

Moreover, there were many girls in an city who admired the fifth prince. This country bumpkin would have a hard time!

“Yun Chujiu, Sister Xi Yue played a piece earlier. The music was melodious, and it made people feel like they were there. What talents do you have? Why Don’t you show us?”A sharp voice said.

Yun chujiu raised her head and saw that the person who spoke was a woman in a light yellow dress. The way she looked at her was full of malice.

Yun chujiu narrowed her eyes. who was this little B \* Tch?

A faint smile appeared on Yun Chujiu’s face. “Excuse me, May I ask who you are? Judging from your age, you should be much older than me. Could it be that you are my elder?”

Puff!

The fifth prince spat out a mouthful of tea!
