

The Yun Family's Ninth Child is an Imp! Chapter 3214

The woman in yellow was so angry that her face turned red. This damn B * TCH must have done it on purpose!

She was obviously about the same age as her, but she deliberately said that she was older. wasn't that just beating around the bush to say that she was Old? ! It was really detestable!

Princess Xi Yue said gently, "Ninth sister, this is my uncle's cousin Xue Ying. She is one or two years older than you. You can just call her sister."

Yun chujiu made a long "Oh" sound and then said, "So it's sister Xue Ying. I'm really sorry. The main thing is that you're wearing too old-fashioned clothes today. I really thought you were my elder!"

Zheng Xueying was furious. She was wearing the latest style of clothing. How was she old-fashioned? This damn country bumpkin must have done it on purpose!

Zheng xueying gritted her teeth. "Yun Chujiu, do you have any talent to show off? Don't tell me you don't know any talent?"

Yun chujiu glanced at her and then curled the corners of her lips. "Congratulations, you got it right! I really don't know any talent. If you do, then show it off! No one will stop you."

Zheng xueying:"..."

Everyone:"..."

She was probably the only one who could say that she didn't know anything so confidently, right? This Yun Chujiu was really, uh, different from the rest!

Zheng xueying's face flushed red. She never thought that Yun chujiu would answer like this. She didn't know what to say for a moment, so she was stunned on the spot.

Princess Xi Yue had no choice but to help her out. "Cousin Xueying, Sister Jiu is different from us. It's normal that she doesn't know music, chess, calligraphy, and painting. After all, she did not grow up in our towering sky continent."

By saying this, Princess Xi Yue not only helped Zheng xueying out of her predicament, but also belittled Yun Chujiu. Moreover, she had isolated Yun chujiu from the social circle of the young ladies. It was simply killing multiple birds with one stone.

A glimmer of light flashed across Yun Chujiu's eyes. This White Lotus was really difficult to deal with. Unfortunately, she had met her little black lotus, Xiao Hei.

Yun chujiu coughed violently a few times and then looked at Princess Xi Yue with red eyes. "Third sister, you, you, you really didn't treat me as your sister.

I'm not a fool. What you said just now means that I'm not worthy of being your sister, right? "Do you think that I don't want to learn music, chess, calligraphy, and painting? "Do you think that I don't want to be multi-talented?

"But... but my parents aren't by my side. I'm living in fear and treading on thin ice. I've cultivated to such a level in the continent with little spiritual power. I don't think I have anything to be ashamed of! "You... you don't want to be my sister. I... I don't want it either!"

Yun Chujiu's voice choked at the end of her sentence. Tears welled up in her eyes, but she raised her head and held back her tears. She looked sad and stubborn.

The old princess placed the Teacup heavily on the table. Although she did not say anything, she looked at Princess Xi Yue with reproach in her eyes. It was obvious that she was very dissatisfied with her.

Many people in the hall also cast a mocking look at her. This princess Xi Yue usually had a virtuous and elegant appearance, but who would have thought that it was all an act.

Ninth miss was so pitiful, yet she still added insult to injury. This was really too much!

Princess Xi Yue's face flushed red. She could only say embarrassedly, "Ninth sister, I didn't mean that. I just think that it's understandable that you don't know any talent."

Yun chujiu lowered her head and said sullenly, "Third sister, you don't have to say it. I understand. You are a high and mighty princess, and I am a poor little girl who doesn't have long to live. Whatever you say is fine."

After Yun Chujiu finished speaking, her body trembled slightly. It perfectly described a poor little white lotus! Unfortunately, no one knew that the heart of this Little White Lotus was black! It was so black that it was extremely tragic!
