

The Yun Family's Ninth Child is an Imp! Chapter 3234

Although he Shi's heart was filled with anger, she could only ask, "What is it that you need my help with?"

"Third aunt, grandmother asked Ji Mama to bring me to see my mother tomorrow. Although I don't know where my mother is being held, I estimate that she is still some distance away from an city. To be honest, I'm not too confident on this journey.

"I know that third aunt is very resourceful. Can you secretly send a team to protect me? "Don't worry, I won't use it for nothing. I'll pay as much as I can.

"As you know, I'm all alone. I don't have anyone I Can Trust. Only third aunt can help me!" Hei Xinjiu said pitifully.

He Shi was shocked and asked in disbelief, "Mother allowed you to see Ye Shi?"

"Yes, it wasn't easy for me to get this opportunity, so I don't want anything to go wrong. Third Aunt, please help me! I've never seen my mother before, I, Wuwu..."

As Hei Xinjiu spoke, she started to cry. She cried so much that she was heartbroken. As she cried, she pondered. He Shi didn't address ye Lan as second sister-in-law, but Ye clan. It seemed that her mother's days in the Cloud King Manor back then were definitely not that good!

He Shi was somewhat dumbfounded by Hei Xinjiu's crying. It was not that her heart ached, but she was somewhat caught off guard.

"Little Jiu, don't Cry yet. It's not that this matter can't be resolved. However, because your mother was locked up in a special place, the people I sent can only escort you for a distance."

Yun chujiu immediately stopped crying. Her eyes lit up. "A distance is fine too. Thank you, third aunt! It's not that I want to say this, but first aunt's petty temperament really can't compare to third aunt's grace and nobility. It would be great if third aunt were Consort Yun."

He Shi jokingly scolded, "Don't spout nonsense! I'll arrange some manpower for you right now. You can rest assured."

"Thank you, third aunt. What do you think of this fee?"

"What fee? You've helped third aunt. It's only right for third aunt to help you once." He Shi smiled and said.

Yun chujiu was very shrewd. She instantly understood what he shi was implying. That was to repay her favor once and for all. In the future, don't come and be disliked by others.

This fellow smiled and said, "Third aunt, our courtyard is close to each other. In the future, I will often come and pay my respects to you."

Hei Xinjiu didn't wait for He Shi's reply after she finished speaking and skipped away.

He Shi looked at Yun Chujiu's back and then at the bowl of soup on the table. She was stunned for a moment before she said to nanny Zhou behind her, "Go and find out what's going on."

Two hours later, Nanny Zhou told he shi what she found out. Basically, it was the same as what Yun Chujiu said.

He Shi was so angry that she threw a teacup. Zheng Shi was really going too far! Let's wait and see!

On one side, he shi was so angry that she stomped her feet. On the other side, Hei Xinjiu's heart was filled with joy. She was very excited to see her mother!

The next day, although Hei Xinjiu woke up early, she was not eager to see the old consort.

This guy knew that the old consort did not like ye Lan. If she acted too eager, it was likely that the matter would be ruined.

This guy waited with his fingers. Finally, at midnight, Ji Mama Came.

Yun chujiu remembered that the old consort did not allow her to bring Xi Hua and Xi Xue to see Ye Lan, so she instructed,

"Xi Hua, Xi Xue, if Zheng Shi asks you to go to her place, don't go. If she tries to force you, go find my grandmother. My grandmother will protect you, understand?" "But don't worry, Zheng Shi is not that stupid. She Won't touch you. At least for the time being, she won't touch you."

Xi Hua and Xi Xue nodded repeatedly. As long as their family members were fine, they would have nothing to worry about.
