

## The Yun Family's Ninth Child is an Imp! Chapter 3235

After Yun Chujiu gave her instructions, she followed Ji Mama Out of the Yun Mansion.

Yun chujiu shot a glance at Ji Mama, who had brought twenty guards with her. Ji Mama was thinking to herself, "Maybe more than half of these people are Zheng Shi's people. If they were really in danger, they would definitely run faster than me. Fortunately, I have a backup plan."

After the group left an city, Ji Mama summoned her flying Spirit Tool, and the group boarded the Flying Spirit Tool and set off.

Yun Chujiu looked at the Flying Spirit Tool. It seemed to be used by the old princess, and it was quite comfortable.

"Ji Mama, how much does such a flying spirit tool cost?"Yun chujiu blinked her eyes and asked curiously.

"Fifty million upper-grade spirit stones,"Ji Mama said with a smile.

"Fifty million? That's not too expensive. I'll get a few of them some other day,"Hei Xinjiu said while stroking her chin.

The corner of Ji Mama's eyes twitched. Not too expensive? You only have ten million upper-grade spirit stones, how many of them can you buy? You're really shameless!

Yun chujiu caught a glimpse of Ji Mama's expression and then remembered that her poor girl character.., she quickly added, "This is my goal. Maybe I'll be rich in the future! Ji Mama, now that we have set off, you can tell me where my mother is locked up, right?"

Ji Mama paused for a moment and then said, "Madam Ye is locked up in the nunnery of the Yun family. But don't worry, Miss Jiu. You Won't have to worry about food and clothing there. Madam Ye is fine."

Yun chujiu's small face suddenly darkened. No matter how deep her thoughts were, she couldn't hide the anger in her heart when she heard that her mother was locked up in the nunnery.

This was too much!

What mistake did her mother make to lock her mother up in the nunnery of the Yun Family? ! What Nunnery? To put it bluntly, wasn't it just a nunnery? ! !

How could she force her mother to become a monk out of nowhere? She was so shameless!

Seeing Yun Chujiu's gloomy face, Ji Mama was shocked. Miss Jiu's spiritual power was low, but her imposing manner at the moment made people feel a little scared.

Yun Chujiu felt like her heart was turning upside down. She suppressed the anger in her heart. No matter what, it was a serious matter to see her mother first. She was not afraid to settle the score. Let's wait and see!

Yun chujiu eased her expression and asked, "Ji Mama, why was my mother locked in the nunnery?"

Ji Mama's expression changed. "Ninth miss, the old princess has ordered that no one is allowed to discuss this matter. You'd better not ask."

Yun chujiu knew that if Ji Mama did not want to tell, she would not tell no matter how much she asked. Anyway, she would be able to see ye very soon. When the time came, she could just ask her.

A day later, the flying spirit tool landed on the ground. Not far away was a dense forest that stretched as far as the eye could see.

“Miss Jiu, the area ahead belongs to the Floating Cloud Mountain. There’s no way for the Flying Spirit Tool to enter. We can only walk there!”

Yun chujiu nodded and walked into the dense forest under the escort of everyone.

After walking for another half a day, Yun Chujiu discovered that there was no more road ahead. Just as she was feeling puzzled, she saw Ji Mama take out a jade token. After she formed a seal, a barrier-like entrance appeared in front of her.

Yun chujiu thought to herself, no wonder he shi said that her people could only escort her for a short distance. It turned out that it was because there was a barrier in front of them.

It was just a nunnery. was there a need to go through so much trouble?

Yun chujiu followed Ji Mama into the barrier. Her vision suddenly became clear. She discovered that they were standing at the foot of a mountain. The things in front of them were next to each other. were they graves?
