

The Yun Family's Ninth Child is an Imp! Chapter 3249

Although Yun Chujiu was very fond of it in her heart, she looked indifferent on the surface. "It looks alright. How much is it?"

"Five million upper-grade spirit stones." After saying that, the shop owner felt a little embarrassed. This price was really too expensive. It was enough to buy a high-quality flying spirit tool.

"It's not expensive. I'll buy as many of these puppets as you have!" Yun Chujiu said indifferently.

Both the shop owner, Princess Xi Yue, and Zheng xueying were stunned. This was five million high-grade spirit stones! Why did it feel as light as five high-grade spirit stones in her mouth?

Moreover, how many did she want?

The shop owner was the first to react, his old face smiled like a flower. "Ninth miss is really discerning. Such good things are naturally not expensive. I have a total of five such puppets here, a total of twenty-five million high-grade spirit stones."

"Hand over the goods! Then, go to the Yun mansion to get the Spirit Stones." Yun Chujiu said indifferently.

"Alright, I'll help you take out all the puppets now." The shop owner was so happy that he did not want them at all. These five puppets had been placed here for decades. Today, he finally found a sucker, Emma., it was simply like a pie falling from the sky!

"Hold on! Shop owner, Wait a moment first. I'll have a few words with ninth younger sister. Ninth younger sister, you just came back. Perhaps you don't know much about puppets, so you saw something new and insisted on buying them.

“Actually, this puppet is very useless. It can only passively defend and can not actively attack. To be honest, it’s better to buy some spirit tools or talismans. “Moreover, 25 million is not a small amount. Even if the elders in your family Pamper You, they won’t let you squander it like this.”Princess Xi Yue said with a sincere tone.

The corner of Yun Chujiu’s mouth slightly curled up, then, she smiled and said, “Sister Xi Yue, you don’t have to worry about this. I haven’t enjoyed the treatment of the Miss of the Yun Imperial residence for so many years. Even if it’s an annual allowance of two million upper-grade spirit stones, it’s not just these 25 million upper-grade spirit stones for so many years. I believe that first uncle and first aunt would not be reluctant to part with it.”

Princess Xi Yue choked and took a deep breath. “Ninth sister, it’s not that I feel sorry for these spirit stones, but that you have to spend the money where it should be spent. These puppets are not worth so many spirit stones at all.”

The shop owner’s face immediately turned ugly. If it weren’t for the fact that he couldn’t afford to offend Princess Xi Yue, he would have pointed at her nose and scolded her. Wouldn’t this be disrupting his business? ! It was really hateful!

Zheng xueying who was standing at the side echoed, “Cousin, why are you talking so much with this country bumpkin? ! Anyway, the Cloud King Manor’s money is under Aunt’s control. You can tell this boss clearly that it’s impossible for her to get the money even if she goes there. See how she can still buy it ”? !”

When the shop owner heard Zheng Xueying’s words, he immediately felt uncertain. Yes, this ninth miss’ position in the cloud mansion was very awkward. She had spent so much money all of a sudden. Perhaps he really wouldn’t be able to get the money in the cloud mansion, wouldn’t that be a great loss?

Therefore, the shop owner laughed dryly and said, “Ninth miss, how about this? I’ll keep these five puppets for you. After you take the Spirit Stones, you can come and pick up the goods. What do you think?”

Zheng xueying revealed a mocking smile on her face. "Boss, I advise you not to have any hopes. The money of the Cloud King Manor was not earned by a strong wind. How could she spend 25 million to buy these puppets? ! There are some people. If you don't have money, don't come out and pretend to be rich. You really overestimate yourself."
