

The Yun Family's Ninth Child is an Imp! Chapter 325

Along with his voice, Di Beiming, who had an austere aura, appeared. He glanced at the bouquet of wild flowers on the ground, then glanced at the food and spiritual fruits on the stone table, and glared fiercely at Yun Chujiu.

Yun Chujiu inexplicably felt a little guilty, and then she straightened her small waist. HMPH, what was she guilty about?! She did not do anything bad! Besides, why did the gigolo look like he caught her in bed?! Who was he to do that?!

Xue Wuji was shocked. He did not notice Di Beiming at all when he was nearby. This meant that Di Beiming's emotionless skills had increased again.

"Black Thing, I want these coral fruit! I'll transfer two hundred Spirit Stones to you later! Go and wash a plateful for me. I'll invite Young Master Xue to taste it. After all, a frugal person like Young Master Xue wouldn't be willing to buy such expensive fruits!" Di Beiming sat on the stone bench and said indifferently.

Yun Chujiu smiled brightly and replied in a crisp voice, "Alright! Prince Charming, you're the real nouveau riche! I'll go and wash the fruits now!"

Xue Wuji felt that the word 'real' was very harsh on his ears and he sneered. "Wait! There must be a first come, first serve way to buy things, right? Little Sister Jiu, this young master will also pay two hundred Spirit Stones for the fruit!"

Secret agent Huahua was about to cry!

'Young Master, the two of them are trying to trick you!! Are you stupid?! You're usually cunning. but why do you look like an idiot when you meet Di Beiming and Yun Chujiu?!

Yun Chujiu seemed to be in a difficult position when she heard Xue Wuji's words. She said timidly, "This... Prince Charming, it was indeed brother Wuji who came first. I'm sorry, I can only sell the fruit to Brother Wuji."

Di Beiming raised his eyebrows. "He came first, but it only counts when you pay for the business. Come here! I'll transfer the Spirit Stones to you now!"

Xue Wuji immediately became anxious. "Little Sister Jiu, I'll transfer it to you now!"

Yun Chujiu seemed to be in a difficult position. She stomped her feet and said, "My Prince Charming, I'm sorry. I should sell it to Brother Wuji. He came first."

Xue Wuji was very proud. He could not wait to transfer the two hundred thousand Spirit Stones to Yun Chujiu. Then he said, "Di Beiming, this fruit is mine! It's my treat! Little Sister Jiu, go and wash the fruits for me!"

Yun Chujiu blinked her eyes. "Brother Wuji, I just remembered that this fruit is pure and uncontaminated. It doesn't need to be washed. If we wash it with water, it might lose its flavor. We can just eat it like this!"

Xue Wuji smacked his lips. Why did he feel like he had been tricked?

Xue Wuji calmed down and gritted his teeth in anger. These two made a trap for him to fall into? He had actually fallen for the trap on a whim!

Xue Wuji was both angry and annoyed. He had always been the one who cheated others. Why was he repeatedly deceived by this smelly little girl, Yun Chujiu? It must be that he was too careless! Yes, it must be so!

“Brother Wuji, you said that you’re treating us to the fruits? Are you still doing that? Can we start eating?” Yun Chujiu answered with a smile.

Xue Wuji gritted his teeth and said, “Yes! Of course it counts! Let’s eat!”

Yun Chujiu cheered and grabbed a bunch of coral fruits for An Feng and An Yin who appeared one after another. Then, she grabbed another bunch for secret agent Huahua and said, “Little Huahua, try this. It’s sweet then sour, then sweet then sour! It’s your Young Master’s treat anyway, so don’t be shy!”

Secret agent Huahua felt that his young master’s head was already faintly emitting smoke! This Yun Chujiu was really too infuriating!
