

The Yun Family's Ninth Child is an Imp! Chapter 3250

Before Yun Chujiu could say anything, the sound of footsteps came from the stairway.

Everyone subconsciously looked towards the stairway. When they saw that it was the fifth prince, Zheng Xueying's face instantly turned red, and her eyes were filled with fiery adoration.

Princess Xi Yue subconsciously straightened her back, and a faint smile appeared on her face. Although it was impossible for them to be together, she did not want to have any imperfections in front of him.

Zheng xueying shyly walked up to the fifth prince and bowed, "Your Highness, are you also here to buy something?"

The fifth prince did not even look at her. Instead, he said to the shop owner, "Boss, give these five puppets to ninth miss. I'll pay for them."

"What? ! Your Highness, you, you want to buy these five puppets and give them to this country bumpkin? ! That's 25 million high-grade spirit stones!" Zheng Xueying's heart was filled with jealousy as she shouted loudly.

The fifth Prince's face sank. "Do I need your permission to do anything? Who gave you the courage to question My Words?"

Zheng Xueying's face immediately turned pale with fright. "I, I..."

Princess Xi Yue hurriedly said, "Your Highness, Xueying's hasty words offended you, please don't mind.". She also had good intentions. Ninth sister might not have seen the puppets before, so she was curious and wanted to buy them all. However, this puppet costs five million high-grade spirit stones, it's really not worth it. Moreover, buying it back won't be of much use."

When the fifth Prince faced Princess Xi Yue, his attitude was obviously much better, he softened his tone and said, "Since ninth miss likes it, it's worth it no matter how much it is. Boss, what are you still standing there for? ! Hurry up and hand the puppet over to ninth miss. Are you afraid that I'll go back on my word? !"

The boss immediately shook his head in fear and eagerly went to get the puppet.

Yun Chujiu's eyes flashed. What was this fifth prince up to?

At this moment, Yun Zhichen also chased over. He gave Yun chujiu a subtle wink, indicating that she should reject the fifth prince.

Yun chujiu had seen Yun Zhichen a few times before, but they were all at the Yun family gathering. Hence, she did not have a deep understanding of him. She only knew that he shi was the son of the He clan.

Although Yun Chujiu didn't know why Yun Zhichen would give her a hint, she didn't want to accept the fifth Prince's so-called good intentions. Thus, she smiled and said,

"Fifth prince, I appreciate your good intentions. However, I'll pay for these puppets myself. Although I'm a little poor, I can still afford these puppets."

When the fifth Prince Heard Yun Chujiu's words, he didn't insist. He only watched from the side. He had investigated very clearly. When this Yun Chujiu returned to the Yun clan, she had clearly said that she only had ten million upper grade spirit stones, how was she going to pay the bill?

Moreover, she could not count on the Yun mansion at all. The Yun mansion was now the head of the Zheng Shi clan, so two hundred and fifty thousand might be able to help her pay. twenty-five million? Don't even think about it!

In the end, she still had to let him help pay the bill. With this layer of involvement, it would be good for him to have more contact with her in the future. With his charm, he did not believe that Yun chujju would not be moved.

The boss thought that Yun Chujju was asking him to go to the Yun mansion to withdraw the money, he rubbed his hands together. "Miss Jiu, it's not that I don't believe you, but this amount is really too big. You should go back to the mansion to withdraw the money first. I will definitely keep the puppet for you."

The corners of Yun Chujju's lips curled up. "You don't have to go back to retrieve it. I will transfer it to you now."
