

The Yun Family's Ninth Child is an Imp! Chapter 3251

Zheng xueying smiled sarcastically. "Yun Chujiu, are you talking nonsense? You're paying now? Do you have that many spirit stones? I've heard that you only have ten million spirit stones on you. Even if you take them all out, it's still not enough."

Princess Xi Yue said with a helpless tone, "That's right. Ninth sister, don't try to be brave. How about this? If you really like it, you can buy a puppet back."

Yun chujiu didn't even look at them. She directly passed the Spirit Stones to the boss and said, "I'm in a hurry to have lunch. Hurry up and hand over the puppets to me."

The boss looked at the 25 million upper grade spirit stones in his storage ring. His mouth was wide open. After he came back to his senses, he eagerly handed the five puppets to Yun Chujiu.

The fifth Prince and the others were dumbfounded. Was she really rich?

Princess Xi Yue clenched her fist. It must be the money that old fart gave her. She didn't expect that old fart to dote on this B * tch so much! It was really hateful!

Yun chujiu put the five puppets into her storage ring, and then said to the boss, "I spent so much money. Shouldn't you give me something?"

The boss smiled like a flower. "Of course. Ninth Miss, follow me to the first floor. You can pick a few things."

Yun chujiu thought to herself, this boss sure knows how to do business. She ignored the others and followed the boss downstairs.

The fifth Prince's face was embarrassed for a moment, but he quickly returned to normal. He walked downstairs and saw Yun Zhichen

He followed him downstairs.

Zheng xueying stomped her feet. "Cousin, where did that country bumpkin get so much money? ! He's really hateful!"

Princess Xi Yue's eyes flashed with impatience. "Enough! What's the point of saying all this now? ! It's better for you to think of a way to win the fifth Prince's favor."

When Zheng Xueying heard what she said, she couldn't wait to go downstairs and chase after the fifth prince.

Princess Xi Yue pursed her lips. What an idiot! However, it would be good if she could marry the fifth prince. At least, she would be able to learn some of the fifth Prince's actions and avoid harming the crown prince.

Yun chujiu picked out a few spiritual artifacts and left the equipment store in high spirits. She said to Xi hua and XI Xue, "Let's go. I'll bring you to eat something good!"

The two handmaidens had not recovered from their young miss'extravagant behavior. They followed Yun chujiu out of the equipment store in a daze.

"Miss Jiu, wait a moment! I haven't had lunch yet. I'll be the host today. Let's Go Together!"The fifth Prince said with a smile.

Yun chujiu frowned slightly. Why did the fifth Prince bother her? He was really annoying!

She turned her head and said indifferently, "Fifth prince, I can't eat with people I don't know well, so let's eat separately!"

After saying that, Yun chujiu skipped away without looking back.

The fifth Prince clenched his fists, and a trace of haze flashed in his eyes.

Zheng xueying fiercely glared at Yun Chujiu's back and said shyly, "Fifth prince, she doesn't know what's good for her. Please don't be angry. Sister Xi Yue and I also happen to be having lunch. Let's go together."

"Get lost!" The fifth Prince said with a cold expression.

Zheng xueying was so scared that she almost sat on the ground. The fifth prince was usually warm like the sun, but this was the first time she had seen such a sinister side of him.

Princess Xi Yue saw that the situation was not right and bowed to the fifth prince. Then, she asked the maid to help the terrified Zheng xueying leave in a hurry.
