

The Yun Family's Ninth Child is an Imp! Chapter 3255

Yun Zhichen was stunned by Yun Chujiu's words. He looked at Yun Chujiu in a daze. It was the first time he had heard such words. He felt as if he had opened the door to a new world.

So, it could be like this?

After a long while, Yun Zhichen took a sip of tea and calmed down. He then said, "But, there's still the state preceptor. If the state preceptor helps the royal family, Our Yun family has no chance of winning."

"Bah! He's just a lecherous old fraud! If he was so powerful, why didn't he unify the four kingdoms? If he was so powerful, why didn't he resurrect the Divine Phoenix ? ! Only you treat him like a plate of vegetables, a liar who pretends to be a charlatan."

"Cough cough! Cough Cough!" Yun zhichen almost choked on the tea in his mouth. This was the first time he heard someone say that the national advisor was a lecherous old fraud. Was this ninth sister crazy?

"Cough cough! Ninth sister, don't spout nonsense! The imperial tutor is the guardian of the Divine Phoenix. His words carry weight and can not be disobeyed," Yun Zhichen said seriously.

Yun chujiu glanced at him. "Forget it. Let's ignore him for now. Let me ask you, who do you think will win in the end between the fifth Prince and the Crown Prince?"

Yun zhichen said without thinking, "Of course it will be the fifth prince. The crown prince is headstrong and opinionated. He is no match for the fifth Prince at all."

"Isn't that enough? Do you think a person like the fifth prince will allow an existence like the Yun family to exist? If he ascends to the throne, I'm afraid the first thing he'll do is make an example of our Yun family."

“This, this...” Yun Zhichen knew that what Yun Chujiu said was right. From the matter of the fifth Prince wanting to marry Yun chujiu, he could see that the fifth prince was determined to obtain the Yun family army. Once he took control of the Yun family army., naturally, he could not tolerate the existence of the Yun family.

“Even if everything you said is right, what do you want to Do?”

Yun chujiu threw the fruit core to the side and said with a faint smile, “Let’s take it one step at a time! Anyway, we have to get rid of Yun Fengjian first, and then let grandfather invite you to be the Duke of Yun.

As for the matter of the throne, if you feel that it’s a little rash, then maintain a delicate balance and maintain the status quo!

“However, sooner or later, the royal family will fall out with each other. It’s just a matter of time. “Oh right, you can use the fifth prince to add fuel to the fire. This way, our plan will be implemented more smoothly.”

Yun zhichen nodded blankly. Then, the two of them chatted for a while more before Yun Zhichen left Yun Chujiu’s courtyard.

After walking for a long distance, Yun Zhichen touched his nose. He seemed to have gone to interrogate them. How did it turn out to be a collusion? Ah, no, working together?

Yun Zhichen thought of what Yun Chujiu had said, and his heart was filled with both fear and excitement. could he really ascend to that position?

The supreme nine five was naturally very attractive, but could it really work?

Seeing that Yun Zhichen had left, Yun chujiu couldn't wait to take out the five puppets. After removing the original puppet disk, she placed the puppet disk with her own spiritual sense inside.

The five puppets knelt on one knee. "Greetings, Master!"

Yun Chujiu had the experience from last time, so she wasn't too surprised. However, Xi Hua and Xi Xue were scared out of their wits.

Didn't they say that the puppets could only passively defend? Why were these five still bowing to Miss Jiu?

Yun chujiu commanded a few puppets to do some things. She found that there was no problem, but she didn't know how strong they were.

She wanted to fight with the puppets, but she was afraid that it would cause too much trouble, so she had to put them away.
