

The Yun Family's Ninth Child is an Imp! Chapter 3258

Yun Xiluo naturally knew that Princess Xi Yue was speaking up for her, so she said fearlessly, "Aren't you a country bumpkin who came from a low-grade continent? What, did I say something wrong?"

Yun Xiyan echoed from the side, "That's right. We were kind enough to explain your doubts, but you still complained. How Shameless!"

Yun chujiu said while crying, "I only found out today that sister said that sister is a country bumpkin out of kindness. It turns out that sister was right to say that sister is shameless. I don't dare to leave the courtyard again in the future to avoid being bullied to death."

The onlookers pointed at each other. Even a fool could see that the position of the ninth miss of the Yun family in the Yun mansion was very awkward, and it was obvious that she was not liked.

The crown prince of the Yun family, Yun Zhifeng, saw that there were more and more people around and shouted angrily, "Enough! Don't you think it's embarrassing enough? ! If anyone dares to make trouble again, you should leave the Yun family's team so that you won't affect the picking of the fiery fruits."

Yun Xilian and Yun Xiyan immediately shrank their necks and glared at Yun chujiu fiercely. Then, they took a few steps closer to Princess Xi Yue and went to curry favor with her again.

Yun Xilian patted Yun Chujiu twice, then, she comforted her, "Little Jiu, don't be sad. They don't mean what they say. There are other wild fruits in the divine Phoenix Valley besides the fiery fruit. I'll ask brother to pick some for you. The taste is really good."

"Really? Then let's go quickly!" Hei Xinjiu immediately jumped up and down, and there was not a drop of tears on her face.

Yun Xilian:"..."so this guy was pretending just now?

As they went deeper into the divine Phoenix Valley, the temperature became higher and higher. The People's foreheads began to be covered with fine beads of sweat. Only Hei Xinjiu was leisurely doing nothing.

Yun Xilian was secretly amazed. This little jiu was resistant to heat, but it was also true. The fire didn't burn her to death, so she was naturally not afraid of the heat.

Yun Zhichen picked some wild fruits and gave them to the girls. Yun Zhifeng coldly reprimanded, "Fifth brother, our mission this time is to pick the fiery fruits. Don't waste your time."

Yun zhichen gently said, "Got it, Big Brother."

Yun chujiu snickered in her heart as she ate the wild fruits. This Yun Zhifeng really knew how to act cool. He deserved to be schemed against by Yun Zhichen.

After walking for a while, yun xiluo exclaimed, "Look! Fiery Fruit!"

Yun chujiu looked in the direction that Yun Xiluo pointed and saw a red patch on a tree in the distance. Each fruit was the size of a fist and looked very adorable.

As they got closer and closer, Yun chujiu could already smell the rich fragrance of the fruit.

"Master, it smells so good! Can you make some for me to taste?" Xiao Heiniaoh said pitifully.

Yun chujiu wiped the drool that was about to fall down. "Don't worry. When I get it, we can eat it to our heart's content."

This guy didn't care about the Divine Phoenix Stone. Let's eat it to our heart's content first.

When they were about to get close to the fiery tree, several fiery red snakes climbed down from the tree. On their heads were fiery red meat crowns, hissing and spitting out their tongues. It was obvious that they were not easy to provoke.

Yun Xilian whispered to Yun chujiu, "This is a fiery-red-crowned snake. Although its spiritual power is only at level 49, which is equivalent to a cultivator at level three to four of the spiritual fantasy realm, it is highly poisonous. Moreover, it is a demon beast that lives in groups and is very difficult to deal with. "Later, you can just watch from the back to avoid hurting you."

"What if you are poisoned?" Yun chujiu asked curiously.

"We all have the antidote on us. However, even if we take the antidote, we will lose more than half of our spiritual power. Basically, we won't be able to fight anymore, so we must not let it bite us," Yun Xilian said.
