

The Yun Family's Ninth Child is an Imp! Chapter 3260

Hei Xinjiu watched Yun Zhifeng put the bamboo basket into his storage ring and sighed in her heart. Sigh, she couldn't be blamed for this. She didn't put in any effort, so it seemed a little shameless to steal the fruits.

Xiao Heiniaoy couldn't help but roll his eyes. Have you done enough shameless things? Now you have a conscience! ! I really want to eat the fruit, why is it broken? !

Hei Xinjiu had been caught by Yun Xi Luo and the others for stealing the fruit, so she was naturally mocked and ridiculed. This guy was thick-skinned and pretended not to hear it.

This guy was thinking in his heart, how can I get some fruit to taste? These people were guarding against her as if she was a thief. They did not even need her to pick the fruit. Now, she could not even touch it, let alone eat it.

Yun Xilian saw her sighing and said, "Little Jiu, what's Wrong?"

Yun chujiu obviously would not say that she was greedy for the fruit. Instead, she shamelessly said, "Eighth sister, all of you can contribute to the Yun family. I'm just a glutton. I feel a little guilty."

Yun xiluo pouted and said, "At least you still have some conscience. If you don't cause trouble for us, we will be burning incense!"

Yun chujiu didn't say anything. Who asked this fellow to be in the wrong!

Seeing that Yun Chujiu didn't say anything, Yun Xi Luo felt that it was meaningless. It was like a heavy punch hitting cotton. She felt embarrassed.

As the Divine Phoenix Valley was open for a total of nine days, the members of the Yun family found a cave to rest in the evening.

After eating some dry rations, Yun Zhifeng and Princess Xi Yue discussed the arrangements for the night shift. After the announcement, everyone began to rest.

Xiao Heiniaio mumbled in the spirit beast pouch as if he was reciting scriptures:

“I want to eat the fiery fruit.”

“I want to eat the fiery fruit.”

“I want to eat the fiery fruit.”

..

“Damn it, shut up! Do you think I don’t want to eat it? But the snake was killed by someone else, and the fruit was picked by someone else. What can I Do? !”Hei Xinjiu said fiercely.

Xiao Heiniaio blinked its green bean-like eyes and said, “Master, although the spiritual power of the fiery red crown snake is higher than yours, you are not afraid of poison. Let’s act alone! I guarantee that we can eat until we are full.”

Hei Xinjiu’s heart moved, but she thought about it and realized that it was impossible. Although she was not afraid of the fiery red crown snake, there were other demonic beasts in the Divine Phoenix Valley. Any one of them could kill her, so she could not take the risk just for a mouthful of food, that would be too stupid.

Yun chujiu shared her thoughts. Xiao Heiniaoy drooped its head and did not say a word. It recalled the incident with the Nirvana Pearl.

Last time, di beiming, that Jinx, almost killed it. If the fiery fruit really put the little girl in danger this time, when that Jinx came out, it would definitely be killed.

In the next few days, Yun chujiu could do nothing but shout for support. However, she did not do anything to slow it down. Yun Xi Luo and the others directly ignored her and did not find trouble with her.

On this day, the people of the Yun family heard the sounds of fighting from afar. They also heard the Crown Prince's cry for help. "Help! Help! Come quickly!"

The people of the Yun family took a closer look. There were a few corpses on the ground. The crown prince and a few guards were fighting with a huge monster.

The crown prince and the four princes were allowed to bring ten guards each, but each guard's spiritual power level had to be below the fifth layer of the illusory realm.

The number of fiery fruits at the end was also a symbol of strength. Therefore, the crown prince and the princes were secretly competing with each other.

Yun Zhifeng cried out in surprise, "It's actually a level 52 red mandrill. How can there be such a high-level demon beast in the Divine Phoenix Valley?!"
