

The Yun Family's Ninth Child is an Imp! Chapter 3266

Chi Xiao's heart turned cold at that moment. It could still deal with one puppet, but now there were five of them. Even if it was exhausted to death, it would not be able to defeat them!

The five puppets beat Chi Xiao Up. Just when Chi Xiao thought its life was going to be over, hei xinjiu said with a smile,

“Ugly monster, let's establish a temporary contract. You take me to pick the fiery fruits! When I get out, I'll let you go. I Won't force you. It's your choice. You can either die or establish a contract with me.”

Chi Xiao almost fainted from anger!

How could this not be forced? !

However, it had no other choice. It could only establish a temporary contract with Yun Chujiu and carry Hei Xinjiu to the depths of the Divine Phoenix Valley to pick the fiery fruits.

As there were few people in the depths of the Divine Phoenix Valley, the fiery fruits were older and the fruits were bigger. Hei Xinjiu was overjoyed.

Yun chujiu thought that as long as Chi Xiao took action, the fiery red crowned snakes would obediently hand over the fruits.

She did not expect that although the fiery red crowned snakes were afraid of Chi Xiao, they would not back down because of their numbers.

Therefore, Yun Chujiu started to negotiate with the fiery red crowned snakes. As long as they gave her ten fiery fruits, she would leave with Chi Xiao.

The fiery red crowned snakes would most likely agree to pay money to avoid disaster. If they didn't agree, Hei Xinjiu would send five puppets out to help Chi Xiao deal with the fiery red crowned snakes..

When Chi Xiao came back to his senses, Yun Chujiu was already squatting not far from the deep pit and starting to roast meat. The aroma of the roasted meat spread in all directions, causing the demon beasts to drool.

Chi Xiao immediately felt a little better. In the past two days, it had eaten quite a lot of roasted meat from the little girl. Let these country bumpkins be envious and jealous!

Yun Chujiu finished roasting half a fan of mutton and started to eat happily with Chi Xiao. As she ate, she said, "TSK TSK, big fatty, my roasted meat is not bad, right? It's charred on the outside and tender on the inside. It's sizzling and oozing oil. It's simply the best delicacy in the world!"

Chi Xiao was eating happily. His big head nodded. No matter what, this smelly girl's roasting skills were pretty good.

The other high-level demon beasts were all drooling. They wanted nothing more than to snatch a piece and have a taste.

Yun chujiu was almost done eating. She glanced at the high-level demon beasts who were eyeing her covetously and said, "Do you guys want to eat roasted meat?"

Although those high-level demonic beasts really wanted to eat it, they all pretended to be pretentious and didn't say anything. They felt that lowering their heads just for a mouthful of food was a disgrace to the demeanor of the demonic beasts. They were much more moral than that Chi Xiao.

Yun chujiu sighed, "I originally wanted to roast some for you guys. Since you guys don't like it, then forget it!"

Those high-level demonic beasts were so regretful that their intestines turned green. If they had known this would happen, they wouldn't have had any moral integrity!

At this moment, Yun Chujiu said, "Forget it, I'm the kindest person. I'll roast some for you! However, you can't eat it for free. You have to give something in exchange. High-level medicinal herbs or fiery fruits are fine."

The high-level demonic beasts hurriedly took out their items. Black-hearted Jiu kept them all into his storage ring and helped the demonic beasts roast the meat.

When the crowd outside saw this scene, they felt as if they were in a dream!

How could a human make a deal with a Demon Beast? That country bumpkin traded a few pieces of broken roasted meat for a pile of high-level herbs and fiery fruits?

How could they not have gotten more than what she got even if they were to fight to the death? This was f*cking ridiculous!
