

## The Yun Family's Ninth Child is an Imp! Chapter 3272

Crown Prince Leng Tianche stared at Yun Chujiu gloomily. "Hand over all the medicinal herbs and I will search for the thousand silk purple radish flower myself."

Yun chujiu sneered in her heart. She had seen shameless people before, but this was the first time she had seen such a shameless person!

She curled the corners of her lips. "Sister Xi Yue, I don't know the thousand silk purple radish flower, but big fatty does. He told me that there is no thousand silk purple radish flower among my medicinal herbs. "It's a level 52 Demon Beast. It can't be that it doesn't even know the thousand silky purple radish flowers, right?"

Chi Xiao fiercely roared at the crown prince and the others, cursing in his heart. F \* ck, if it weren't for these people, it wouldn't have fallen into the hands of the smelly girl. These people deserved to die!

Chi Xiao's pressure caused the crown prince and the others to involuntarily take a few steps back. Only then did everyone remember that this country bumpkin was no longer the same as before. She had actually contracted with the level 52 Chi Xiao.

Although Chi Xiao was not considered an impressive demonic beast in the towering sky continent, it was still more than enough to deal with them. Therefore, everyone felt a little more fearful.

The Crown Prince clenched his fists and said coldly, "Since there is no thousand threads purple radish flower, then what about Phoenix tail red flame grass?"

"No."

"Bell Orchid Kite?"

“No.”

“Thousand Crane Flower?”

“No.”

..

The crown prince listed more than ten kinds of herbs in one breath. Hei xinjiu only had one answer, and that was no!

The crown prince gnashed his teeth and said, “Then what do you have? Whatever herbs you have, I want them. give them to me!”

Yun chujiu curled the corners of her lips and took out a bunch of wheat-based herbs from her storage ring. “Your Highness, I only have this kind of herb here. It is said that it is very effective in curing the heart of an emergency. Since you want it, I will give it to you!”

The crown prince angrily threw the handful of hay grass on the ground. “Yun Chujiu! You are courting death! This hay grass is only a yellow grade herb. How could those high-level demon beasts give you such a worthless thing!”

“Crown prince, you are really interesting. If I didn’t give it to you, you would be angry. Now that I have given it to you, you are still angry. Those Demon Beasts gave me this hay grass. Big Fatty, tell him whether it is true or not.”

Chi Xiao roared a few times. This crown prince was simply stupid. He actually dared to go against the Master of Divine Phoenix. Wasn’t he courting death? !

The crown prince sneered, “Yun Chujiu, do you think that you can do whatever you want with this Chi Xiao? “Previously, we had fewer people so we couldn’t defeat this Chi Xiao. Now that there are so many people here, a mere chi Xiao is no match for us.”

The crown prince then said to the people behind him, “Yun Chujiu has offended her superior. Capture her! If she resists, kill her without mercy!”

The people behind the crown prince looked at each other. Should they attack or not?

When the Crown Prince saw that everyone was hesitating, he immediately flew into a rage. “What? Do you all want to rebel too? If anyone disobeys my orders, they can go out and wipe out their families!”

Those sons of noble families were instantly frightened. They thought to themselves, “If I Die, my fellow Daoist will not die. Yun Chujiu, just admit your bad luck! !”! Who asked you to offend His Highness the Crown Prince? !

The fifth prince hurriedly went forward to dissuade him. “Royal Brother, ninth miss has just returned to towering sky continent. It’s inevitable that she’s a little insensible. Please spare her this time!”

The Crown Prince Glared at the fifth Prince viciously. “Fifth brother, don’t let me say anything unpleasant. Move aside!”

The fifth Prince clenched his fists. He did not dare to shed all pretenses with the crown prince now. He could only grit his teeth and retreat to the side. It seemed that Yun Chujiu’s suffering was unavoidable.

However, this was also good. In a while, he would think of a way to keep her alive. She would definitely be grateful. When that time came, she might even secretly be in love with him.
