

## The Yun Family's Ninth Child is an Imp! Chapter 3276

Wu Yun in the sky originally thought that when a bolt of lightning struck down, that little weakling would be so frightened that he would run around in a panic. He might even kneel on the ground and cry for mercy.

In the end, he was stunned to discover that the little weakling was actually distracted while sitting on the stone!

Distracted? Distracted!

Damn it!

How could he disregard the heavenly lightning like that! I've never heard of anyone being able to be absent-mindedness when struck! It was truly detestable to the extreme!

Boom! Boom! Boom!

Wu Yun struck Hei Xinjiu with more than ten heavenly lightning bolts consecutively. It felt that Hei Xinjiu would either be killed or injured after being struck by the heavenly lightning bolts. In the end, it turned out that the huge rock had been reduced to ashes, however, that damned weakling still looked as if she was absent-mindedness.

Could she be an idiot?

Yes, she must be an idiot! ! Otherwise, how could she not be afraid of being struck by lightning? !

F \* ck! It was the first time in so many years that she had struck an idiot. What Bad Luck!

Hei Xinjiu's eyes lit up at this moment. This was the first time she had been struck by lightning in the towering sky continent. Wu Yun might not know how abnormal she was. Perhaps she could deceive the heavens and the sea.

This guy took Xiao Heiniaio out of the spiritual beast bag and looked at Xiao Heiniaio's plump appearance. He said with disdain, "You idiot. It's because of you that the Heavenly Lightning was attracted. You can bear it yourself!"

Xiao Heiniaio knew that he was in the wrong and said obsequiously, "Master, I'm also trying to cultivate faster! Now, I can use the Nirvana fire once in a while. If anyone provokes you, I'll help you burn them to death!"

Yun chujiu curled her lips, "What a nice way of saying it. Hurry up and help me get struck by lightning!"

Xiao Heiniaio flapped its short wings embarrassedly and helped Hei Xinjiu get struck by lightning.

The corner of Hei Xinjiu's eyes twitched. This guy was getting fatter and fatter, but his pair of short wings were not very long. They were flying unsteadily, and it seemed that they were not as high as the hens.

Yun chujiu took out Xiao Mogu as well. She fed the two of them first, then she thought of a way to trick the silly cloud in the sky.

Wu Yun in the sky was shocked when he saw Xiao Heiniaio. He knew that the Phoenix had appeared, so he came to hack it. But who could tell him that such an ugly fat bird was a Phoenix?

What a joke!

When did the Phoenix become so ugly?

Wu Yun had not recovered from the shock when he saw the little mushroom next to Xiao Mogu. What the hell was that? !

Fifteen minutes later, Xiao Mogu and Xiao Heiniaoh could not take it anymore, so Hei Xinjiu had to put them into the Spirit Beast Bag.

Hei Xinjiu looked up at Wu Yun in the sky with narrowed eyes, then sighed and said, "It's over! It looks like she's going to die today. The heavenly lightning is too powerful!"

Wu Yun in the sky was dazed. He was not a fool, was he? As long as he knew how powerful she was, he thought to himself. With a few more heavenly lightning strikes, he was sure that the darn girl would be dead!

Boom! Boom!

The heavenly lightning struck down one after another. Hei xinjiu screamed miserably, "Ouch! Ouch! I Can't move anymore!"

"F \* ck! I feel that I'm going to die! I feel that my internal organs are going to explode."

"I didn't do anything bad either. Am I going to be struck to death just like that? I Can't die in peace!"

..

At first, Yun Chujiu's scream was quite loud. Later on, it became quieter and quieter. In the end, there was no more movement!

Wu Yun thought in puzzlement, could it be that she was already struck to death? But that was also true. According to common sense, she should have been struck to death long ago. This wretched girl was already abnormal enough!
