

## The Yun Family's Ninth Child is an Imp! Chapter 3279

Hei Xinjiu didn't react in the beginning. When everyone's envious and jealous gazes fell on her, she finally reacted. Emma, wasn't she the nine daughters of the Yun Family? !

If an ordinary person were to receive the Divine Phoenix's favor, they would be so happy that they would faint!

However, this fellow had some doubts in his heart. What did this five-colored Phoenix want her to do? She did not think that the five-colored Phoenix really liked her.

She recalled the nine-tailed Fox that she had met in the Tian Yuan Academy. The remnant soul of the nine-tailed Fox had tried to trick her to possess it. Could This five-colored Phoenix have the same intention?

When everyone saw that Yun Chujiu did not move for a long time, they all thought that she was too excited to know what to do. The old imperial consort said excitedly, "Little jiu, what are you still standing there for? Hurry up and go over!"

Yun chujiu thought to herself, grandmother! Do you think this is a good thing? Maybe your granddaughter will die after she goes over!

Seeing that Yun chujiu still did not move, Saint Martial Emperor could not help but frown. "Yun Chujiu, hurry up and go over. Do you want to disobey the Divine Phoenix's orders?"

Hei Xinjiu had no choice but to stand up and pretend to be very excited. She trembled slightly and walked forward. However, this fellow walked extremely slowly and was not much faster than a snail.

Hei Xinjiu dawdled while thinking of a solution. If the five-colored Phoenix really wanted to possess her, what should she do?

According to the degree of superstition of these people, even if they knew that the Divine Phoenix wanted to possess her, they would most likely willingly offer her up. In their hearts, this divine Phoenix was a God!

Hei Xinjiu thought again. This five-colored Phoenix probably could not leave the altar. Otherwise, it would have rushed out long ago. As long as she did not go up the altar, she should be fine.

Yun chujiu finally walked to the front of the altar, but she did not go up the altar.

The five-colored Phoenix chirped a few times and said, "You have ascended the altar. I have something to tell you."

Yun chujiu bared her white teeth and said, "Divine Phoenix, if you have something to say, say it now. I am not deaf."

The kneeling people shivered. This Yun Chujiu was really audacious. She dared to talk to the Divine Phoenix like that. Was she courting death? !

The five-colored Phoenix was silent for a moment before it said, "I order you to quickly ascend the altar. Otherwise, I will punish you."

When the people heard that, they immediately felt numb!

The Divine Phoenix's words were very clear. If Yun Chujiu did not ascend the altar, all of them would die!

Therefore, everyone stared at Hei Xinjiu fiercely.

Hei Xinjiu did not doubt that if she did not ascend the altar, these people would throw her onto the altar.

Hei Xinjiu could only continue to move forward slowly, while walking, she communicated with the little black bird with her spiritual sense. "Xiao Hei, if this coquettish B \* Tch wants to possess me, what should I do? It's already good enough that those people won't help it. They definitely won't help me."

"Master, I reckon that if this ugly bird wants to possess you, it won't do so in front of these people. It will definitely bring you to the bottom of the altar. Therefore, when the time comes, why don't you just ask those remnant souls to help you take care of it?". Even the nine-tailed Fox had been taken care of by you. Why would you be afraid of a coquettish slut? !"Xiao Heiniaosaid disdainfully.

Actually, Xiao Heiniaowas very excited right now. Aiyo, if it were to swallow the remnant soul of this coquettish slut, its strength might soar. It was simply like a pie falling from the sky!

Of course, it wasn't a match for the remnant soul of the five-colored Phoenix. It could only hope that if they were to really fight, it would get a share of the spoils.
