

The Yun Family's Ninth Child is an Imp! Chapter 3282

Xiao Heiniao glared at her and cursed, "Shameless!"! You Little Chicken, you still want to take my house? Is your filthy soul worthy of my noble body? I'll show you my master's power today! Master, put me away, you go!"

Hei Xinjiu:"..."

Who would want such a shameless spiritual pet? He sold it for a low-grade spirit stone!

The five-colored Phoenix was also shocked by Xiao Heiniao's shamelessness. How could the Supreme Black Phoenix of the Phoenix family produce such a shameless creature?

But it didn't matter. Soon, it was the only Black Phoenix in the world!

The five-colored Phoenix was very confident in killing Yun chujiu and Xiao Heiniao. That Black Phoenix was obviously still a cub and very weak. This little girl was even less worth mentioning.

Thinking of this, the five-colored Phoenix spat out a fireball at Hei Xinjiu. It thought that although its nirvana fire was less than one-ten-thousandth of its peak power, there was no problem in burning this little girl to death.

It saw the little girl and said with a smile, "Aiyo, you want to Burn Me to death? Hahaha, come on, come on, I'm a little cold!"

Was this little girl crazy?

However, even after the fire was extinguished, the little girl was still alive and kicking. She was still shouting, "Again! Again! Let the fireballs come more fiercely!"

The five-colored Phoenix was shocked. It comforted itself that this little girl probably had a defensive spiritual artifact on her, and she would not be able to hold on for long!

Therefore, the Black Phoenix kept spitting fireballs, but Hei Xinjiu was getting more and more lively, and the Phantom of the five-colored Phoenix was getting fainter and fainter.

The five-colored Phoenix was about to cry!

How could there be a monster that could not be burned to death in this world? !

The five-colored Phoenix had no choice but to give up on fire attacks and attack Hei Xinjiu with its sharp claws and beak.

Hei xinjiu bared her little white teeth. "Little B * TCH, I would have spared you if you had retreated in the face of difficulties. However, you just had to seek your own death. Then, don't blame me! Come, let's see whether the ancient ferocious beasts are stronger or you, Little B * Tch!"

Before the five-colored Phoenix understood what Yun chujiu meant, two huge creatures were released.

One of them looked like a tiger but had a pair of slightly curved fangs. Its tail was very thick and had sawteeth on it.

The other one had a huge beast head that looked like a tiger's head. It had two horns on its head and a pair of huge wings on its back.

The five-colored Phoenix was so shocked that it almost disappeared. wasn't this Tao Wu and Qiong Qi? How did this brat have their remnant souls?

Just as the five-colored Phoenix was in shock, it heard qiong qi say, "Little Fairy, you even dared to kill the five-colored Phoenix. You have reached a new level of Evil! You are becoming more and more likable!"

Yun Chujiu was already numb to the stupid and ferocious qiong qi. She glared at it and said, "Cut the crap and kill it!"

"Alright! Little Fairy, scold me a little more. I feel so comfortable when I hear your scolding!"

Hei Xinjiu:" ..."

The five-colored Phoenix rolled its eyes and said, "You are ancient ferocious beasts, but you listen to her? You are so despicable! Why don't we join hands to kill her, and the entire sky-high continent will be ours!"

Qiong Qi glanced at the five-colored phoenix, "Damn it, I don't like good birds like you the most. You want to sow discord between me and my favorite Little Fairy, you're courting death!"
