

The Yun Family's Ninth Child is an Imp! Chapter 3283

The five-colored Phoenix was so angry that she was twitching. She turned her gaze to Tao Wu and asked, "Tao Wu, what do you say?"

Tao Wu snorted coldly and said, "Even though I, Tao Wu, am a ferocious beast, I do not want to do something like possession. Do you want to die or let us kill you?"

The five-colored Phoenix's heart was about to collapse! The people it met today were all freaks! Each of them was more abnormal than the last!

It gritted its teeth. Although Tao Wu and Qiong Qi were ancient ferocious beasts, their figures were obviously much lighter than its. It was still uncertain who would be the final victor. What was there to be afraid of!

Hence, the five-colored phoenix sneered, "Since you guys are courting death, don't blame me for not being polite! I can just swallow you guys to solidify my soul!"

Qiong Qi curled his lips and said, "With the black-hearted little fairy here, you still want to win? You're Dreaming! Little Fairy, release that pig and we'll gang up on this mongrel chicken!"

Hearing that, Yun Chujiu released a group of piglets with spiritual power. The five-colored Phoenix was dumbfounded. What kind of trick was this? Did she want to kill it with cuteness?

The five-colored Phoenix disdainfully grabbed with its claws, and those piglets with spiritual power instantly dimmed a lot.

Before the five-colored Phoenix could be proud of itself, da Hua came out lazily.

The five-colored Phoenix took a step back again. It was it? !

Qiong qi grinned and said, “Hey, Little Bastard, come on. I can use you to nourish myself. The soul of a phoenix is a great tonic!”

Although the five-colored Phoenix was a little timid, it knew that it had to fight to the death today. It shot a fireball at Qiong Qi.

Qiong Qi was not as perverse as Hei Xinjiu. It flapped its wings and dodged the five-colored Phoenix’s fireball. Then, it rushed behind the five-colored Phoenix.

Just as the five-colored Phoenix dodged Qiong Qi’s attack, Tao Wu’s sharp teeth came at it again. Just as it dodged Tao Wu’s sharp teeth, Da Hua’s hooves came at it again.

For a moment, the five-colored Phoenix was forced into a sorry state by the three of them.

At this moment, Yun Chujiu secretly put all the phoenix feathers on the ground into her storage ring and then put away the phoenix skeleton. However, it was a pity that the six ten-thousand-year-old black iron chains were very strong, she dragged it for a long time but still could not pull it down.

Hei Xinjiu rolled her eyes. She reckoned that the five-colored Phoenix was dead and that the ten-thousand-year-old black iron chains could only be pulled down.

Qiong Qi caught a glimpse of Yun Chujiu’s behavior and said excitedly, “Little Fairy, you are really bad! We are risking our lives here, but you are taking advantage of us. How can you be so bad? I really like you too much!”

When the five-colored Phoenix heard Qiong Qi’s words, it turned around and found that its feathers and skeleton had been taken away by Hei Xinjiu. It was so angry that it threw a fireball at Hei Xinjiu.

Hei Xinjiu said with a smile, "Come on, come on, continue to spit at me! Little B * TCH, why are you still alive? Hurry up and die! "If you die, I'll be able to pull out the six ten-thousand-year-old black iron chains. It'll be your compensation to me."

The five-colored Phoenix was so angry that it was about to die. It screamed sharply and pounced on Hei Xinjiu.

Hei Xinjiu was not stupid. She naturally would not sit still and wait for death. She dodged nimbly and shouted, "Little B * Tch, you're dead for sure today! Don't waste your energy. Just Kill Yourself!"

The five-colored Phoenix really regretted it at this moment!

If it had known that this little girl was so perverted, it would have rather locked up here for tens of thousands of years. It would not have any designs on her. However, how could there be medicine for regret in this world? !
