

The Yun Family's Ninth Child is an Imp! Chapter 3285

At this moment, the Phoenix Egg on the ground trembled in fear and rolled towards the corner of the wall.

Hei Xinjiu: "..."

Holy shit!

The egg had turned into a spirit?

"Master, this is a phoenix egg after all. It naturally has intelligence. You can either kill it now or keep it. Although it's not as powerful as Xiao Heiniaoyao, it was very big when it was born, and it grew faster than Xiao Heiniaoyao. It's not bad for you to be a mount," said the little black bird.

This fellow was very bad! Didn't that damned coquettish slut look down on it and acknowledge the little girl as its master? It would let it become the little girl's spiritual pet as well, and it would be a mount. From now on, it would ride on it every day to do whatever it wanted. Just thinking about it was very satisfying!

Hei Xinjiu touched her chin. Compared to riding a rabbit and jumping around, riding a phoenix to show off was obviously more impressive!

Therefore, hei xinjiu jumped in front of the Phoenix Egg. She bared her teeth and pricked her index finger with a needle. Then, she dripped her blood on the Phoenix Egg.

Hei xinjiu followed the hand seal method that Xiao Heiniaoyao had given her and established a contract with the Phoenix Egg.

Xiao Heiniaosnickered at the side. It had told her master that the seal formation method was a master pet contract. Wasn't this damned pheasant able to show off in the future? Let's see how it will show off in the future!

As the Phoenix Egg was only an egg, its consciousness was very weak. Hei xinjiu only felt a trace of connection with the Phoenix Egg and did not feel anything else.

On the other hand, the Phoenix Egg might have already established a contract with Yun Chujiu. It touched the tip of Hei Xinjiu's toes intimately, acting like a spoiled child.

Yun chujiu pursed her lips. It was indeed as if she was dead. If it were the pheasant from before, it would not be so intimate with her.

Hei Xinjiu put the Phoenix Egg into the spirit beast bag, then, Qiong Qi opened his mouth and howled, "Little Fairy, I want to be with you too. I want to be with you too. Unfortunately, I don't have a body. SOB, SOB, sob. Why Am I so miserable!"

Tao Wu did not make a sound, but he was obviously very lonely.

They were ancient ferocious beasts in the past, but now they were struggling to survive. They could only come out to breathe in such a place with a formation. It was so depressing!

Hei xinjiu frowned. "I did get the formation of the great void soul-repairing formation in the Hall of talents, but I can't read all the ancient characters on it. eh?"

Hei xinjiu slapped her thigh. Wasn't this a good opportunity? !

Therefore, she quickly let Fu Ao and the other two out and asked them to help her read the formation of the great void soul-repairing formation.

Yun chujia frowned as she listened. The great void soul-repairing formation was not too difficult to learn, but the core of the formation had to be located in an extremely cold place.

If this was in the immortal Yuan continent, she could use the Hundred Thousand Feet Deep Ice Abyss as the core of the formation. However, where could she find an extremely cold place in this towering continent?

However, no matter what, she finally had some clues. In the future, when she encountered a suitable opportunity, she could help these remnant souls to repair their souls.

However, the corpses of the ancient cultivators had been placed with a restriction. He had to think of a way to remove the restriction first.

“You two, even if I can restore your souls, what if you don’t have a body?” Yun chujia looked at Qiong Qi and Tao Wu.

Qiong Qi pursed his lips. “Little Fairy, you underestimate us ancient ferocious beasts! As long as our souls are solid enough, we can give birth to new shells.

“Little Fairy, you’d better hurry up and find that dog Sh * t land of extreme cold. That way, we’ll be able to collude with each other sooner! “I can’t wait to help the villain!”

Hei Xinjiu:” ...”

Damn it, if you can’t speak, then don’t speak. You’re the Wolf, you’re the Wolf!
