

The Yun Family's Ninth Child is an Imp! Chapter 3287

Hei xinjiu rolled her eyes and clapped happily. "State Preceptor, you have the exact opposite! The Divine Phoenix likes me very much and asked me to be its messenger.

"Also, it said that it was going to wake up completely after so many years of devout worship!

"Therefore, it had to concentrate on its cultivation. That's why it removed the altar so that no one would disturb it."

The imperial tutor and everyone were skeptical. was that really the case?

Yun Chujiu picked the shortest and darkest Phoenix Feather and held it in her hand. Then, she said, "The Divine Phoenix was afraid that you wouldn't believe me, so it asked me to give this phoenix feather to the imperial tutor."

The imperial tutor took the Phoenix Feather in disbelief. He felt the residual pressure on the feather and knelt on the ground with a plop, he said excitedly, "It's really the divine Phoenix Feather! Our Divine Phoenix is about to awaken! God bless our East Phoenix Kingdom!"

Saint Martial Emperor and the others also knelt down one after another with excited expressions on their faces.

Hei xinjiu laughed in her heart. These people were simply superstitious. She thought that they would have to go through a lot of trouble, but she did not expect that they would be dismissed with just a broken feather!

If they knew that the Divine Phoenix had become her mount in the future, wouldn't they be so shocked that their eyeballs would fall out?

Just as Hei Xinjiu was secretly pleased with herself, the national master said again, "Miss Jiu, the Divine Phoenix is looking for you to convey this matter?"

Yun chujiu nodded. "That's right. In addition, the Divine Phoenix has also given me a secret mission, but I can't tell you. When the time is right, I will naturally tell you."

Although the imperial tutor was very curious about the so-called secret mission, out of respect for the Divine Phoenix, he did not dare to ask further. He continued, "Miss Jiu, if you need my help, feel free to look for me."

Yun chujiu nodded her head pretentiously. "Then thank you, Imperial Tutor."

This fellow was so proud in her heart. After this incident, not only did she not die, she even got a Phoenix Egg. Moreover, she was now the messenger of the Divine Phoenix. With the Imperial Tutor's protection, who would dare to provoke her? !

Princess Xi Yue could not suppress the jealousy in her heart. On what basis? ? ! On what basis was this country bumpkin chosen by the Divine Phoenix? On what basis did she steal all of her limelight the moment she returned?

Not only did her grandfather and grandmother dote on her, even the imperial tutor was biased towards her. She should not have lived in this world. She deserved to die!

At this moment, the sky turned dark again.

Everyone was shocked. Although it was almost evening, it should not have turned dark so soon, right?

Hei Xinjiu's heart sank. What the F * ck! Could it be that old B * Stard Tian Dao had sent Wu Yun to strike her again because she had contracted the five-colored Phoenix?

Previously, she had managed to trick that Wu Yun with great difficulty. If it was still that Wu Yun now, wouldn't she be furious from embarrassment?

What should she do? She couldn't possibly be struck by lightning in public, right?

The guy rolled his eyes and said, "I'm going out of the city to take care of some matters now. Don't follow me. Otherwise, if the Divine Phoenix were to punish me, I won't be able to do anything about it."

The national master hurriedly said, "Don't worry, Miss Jiu. No one dares to ruin your business. Please do as you please."

Hei xinjiu nodded in satisfaction. Then, she hopped out of the Divine Hall, rode on the giant rabbit, and ran out of the city.

The Imperial preceptor looked at the crowd and said, "Let's Go!"

After everyone had left, Saint Martial Emperor said to the imperial preceptor, "Imperial preceptor, is... is what Yun Chujiu said true? is the Divine Phoenix really going to wake up?"
