

## The Yun Family's Ninth Child is an Imp! Chapter 3288

The Imperial preceptor held the phoenix feather in his hand and said, "Yun chujiu shouldn't have the guts to lie. Besides, if it wasn't for the Divine Phoenix's instructions, where would yun chujiu get the Divine Phoenix Feather? How could the altar disappear?"

Saint Martial Emperor thought that it made sense. Yun chujiu was only a little girl at the eighth level of the spiritual space realm, so it was impossible for her to have such an ability. Moreover, according to the prophecy, Yun Chujiu would be the master of the Divine Phoenix. Therefore, it made sense for the Divine Phoenix to choose her as its messenger.

Perhaps, after the Divine Phoenix woke up, it would really recognize her as its master.

When Saint Martial Emperor thought of this, his heart was moved. Naturally, the Master of the Divine Phoenix could not let others take advantage of him. Previously, Lao Wu seemed to want to marry Yun chujiu, so he might as well agree to it!

..

After Princess Xi Yue left the Divine Hall, she did not return to King Yun's residence. Instead, she followed the crown prince to the Crown Prince's residence.

"Your Highness, I didn't expect my ninth sister to actually become the Divine Phoenix Emissary. If I had known earlier, I would have advised you not to reprimand her." Princess Xi Yue said with a sigh.

The crown prince's face was gloomy. "How could that B \* Tch be the Divine Phoenix Emissary? I think there must be a problem."

"Your Highness, although I don't really believe it, the imperial tutor has already acknowledged her. You should give in to her in the future. After all, she is already the Divine Phoenix emissary now."

When the crown prince heard Princess Xi Yue's words, his expression instantly became even more unsightly. "HMPH! What Divine Phoenix Emissary? I think she is just spouting nonsense! There's also the imperial tutor. He always thinks he is so amazing. Even my father has to obey his every word. I have long wanted to kill him."

Princess Xi Yue quickly covered the crown prince's mouth with her hand. "Your Highness, be careful! If the Emperor finds out about this, he will blame you."

The crown prince also knew that he had misspoken. He held Princess Xi Yue's hand and said, "I was also angry for a moment, so I said the wrong thing. When I thought of that slut becoming the Divine Phoenix Emissary, I was furious."

Princess Xi Yue nodded and said as if it was unintentional, "Your Highness, what do you think that slut is doing outside the city? Could it be that the divine Phoenix wants her to find some treasure?"

The crown prince's expression changed. Perhaps it was really like that. Otherwise, that slut wouldn't have refused to let people follow her. The Divine Phoenix's treasure must be a rare treasure. It might even be a divine weapon.

The more the crown prince thought about it, the more excited he became. He said to Princess Xi Yue, "Xi Yue, I'm a little tired. You can go back first!"

Princess Xi Yue nodded obediently. After bowing, she turned around and left the Crown Prince's residence.

Princess Xi Yue's eyes were filled with scheming. The Crown Prince would definitely send people to kill and steal the treasure when he saw money. Yun Chujiu, do you think that you can rest easy after becoming the Divine Phoenix Emissary? Stupid!

After Princess Xi Yue left, the crown prince called his guard Commander Liao Sheng over. “Immediately bring people to ambush outside the city. Once that Yun Chujiu comes back, kill her on the spot and hand her storage ring to me.”

Liao sheng said with difficulty, “Your Highness, isn’t That Yun Chujiu the Divine Phoenix Emissary? Do you really want to kill her?”

“If you don’t want to die, just do as I tell you,”said the Prince with a gloomy face

Liao Sheng did not dare to say more, compared to an illusory divine Phoenix emissary, he was still more afraid of the hands of the power of life and death of the Crown Prince, immediately with people hurriedly out of the Crown Prince’s residence, rushed to the city to set up an ambush.

At this time, the sky has been completely dark down, large chunks of Wu Yun began to gather.

Wu Yun in the sky saw Hei Xinjiu riding on a rabbit and almost vomited blood!

Damn it!

This stinky girl actually pretended to be dead during the day! She actually shamelessly contracted the five-colored Phoenix, she was really courting death!
