

The Yun Family's Ninth Child is an Imp! Chapter 3290

Wu Yun's face was filled with disdain as he struck a bolt of lightning at the rabbit. As expected, he saw the rabbit being hacked into ashes.

Wu Yun trembled with pride. Such a weak thing could be hacked to death even with its eyes closed.

Just as Wu Yun was showing off, he saw a strange-looking phantom rising from the ground. Its four vertical pupils looked as if it had nothing to live for. What the hell was this thing?

Meng Yanshou saw the shell that had turned into ashes and once again deeply doubted whether his decision back then was correct. He originally thought that he would be enjoying life with this black-hearted little girl., but in reality, he had helped her get struck by lightning countless times. This was simply too much!

Wu Yun came back to his senses and shot a bolt of lightning at Meng Yanshou.

Meng Yanshou was currently in an extremely bad mood and immediately used Wu Yun as a target to vent his anger.

"Are you F * cking blind? Why did you chop my shell? !"

"Shameless thing! If you chop me again, I'll scold you for eight generations!"

"I've read so many books, but I've never seen anything more despicable than you! Did the little fairy provoke you? Isn't it enough to just chop a few times? You're not going to stop, are you? Shameless!"

..

Wu Yun in the sky was dumbfounded by the scolding!

He had never been scolded like this before. This damned ugly freak was even more detestable than that wretched girl! Today, he had to chop it to death!

Rumble! Rumble! Rumble!

Wu Yun finally mustered all his strength this time and hacked wildly at Meng Yanshou.

Meng Yanshou cried out in pain, "Aiyo, my head!"

"AIYO, my butt!"

"AIYO, my soles!"

..

Yun Chujiu was upset and could not think of a solution. With its cry, it made her even more upset. She shouted, "Curly hair, shut up!"

Meng Yanshou covered its mouth with its claws. It was holding its anger in. I was struck by lightning for you, and you still yelled at me. There was no way to reason with you!

If it wasn't for the sake of the script, I would definitely let you scold me!

Eh? There seemed to be something wrong. It seemed to be the other way around..

An hour later, Meng Yanshou couldn't take it anymore. It bared its teeth and was put into the Spirit Beast Bag.

Xiao Heiniao and Xiao Mogu had already reached their limits during the day. Hei Xinjiu had no choice but to personally go up and take the lightning strike.

This fellow was depressed. This damned heavenly lightning. It would not come when it wanted to strike, but once it came, it would strike her to death. It was simply too damaging!

As time passed, Yun Chujiu felt as if the meridians in her body were about to explode. She gritted her teeth. If she still could not think of a way, she was afraid that she would die!

Wu Yun in the sky was very proud. Stupid girl, there was no one in this towering sky continent who could not be struck to death by Heavenly Lightning. You are dead for sure today!

Yun chujiu felt that her entire body was about to explode. She had no choice but to jump out of the deep pit and run forward. Although she could not avoid being struck by lightning, she could at least have some time to catch her breath.

Therefore, hei xinjiu ran in front, followed by a string of purple lightning strikes..

Fortunately, no one would come out in such a strange weather. Otherwise, they would be stunned when they saw the situation in front of them.

Hei Xinjiu ran aimlessly. Although she tried her best to think of a way, she still couldn't think of any good ideas. Moreover, her running speed was getting slower and slower. Could it be that she could only wait to be struck to death?

Finally, Hei Xinjiu couldn't run anymore. She sat on the ground and looked up. She couldn't help but be stunned. She actually ran to the Divine Phoenix Valley.
