

## The Yun Family's Ninth Child is an Imp! Chapter 3291

Clouds and mist filled the valley entrance of the Divine Phoenix Valley. Hei Xinjiu's heart skipped a beat. Back when she was in the Divine Phoenix Valley, she was not struck by lightning. Perhaps the divine Phoenix Valley was isolated from heavenly lightning.

She hurriedly took the Phoenix Egg out and said fiercely, "Quickly think of a way to let me in. Otherwise, when you break through the shell, I'll Call You Little Slut!"

The Phoenix egg trembled for a moment. The shell of the egg shimmered, and the fog at the entrance of the Divine Phoenix Valley suddenly disappeared, revealing the entrance of the Divine Phoenix Valley.

Hei Xinjiu rushed in with the Phoenix Egg in her arms. Seeing that Heavenly Thunder did not chase after her, she sat down on the ground.

"DAMN! That was close! That was close! Thanks to this precious egg, or else I would have been dead!"

Hei Xinjiu was happy. The dark clouds in the sky were emitting white smoke!

She wanted to continue attacking Hei Xinjiu, but she could not enter the Divine Phoenix Valley. She could only watch as Hei Xinjiu jumped in.

Stupid Girl!

I don't believe that you won't come out!

I will definitely kill you today!

Hei Xinjiu sat cross-legged on the ground and began to comb through the violent lightning energy in her body.

During the day, she had already broken through to the first level of the illusionary realm. Before she could consolidate her spiritual power, she was struck again, and the spiritual power in her Dantian increased greatly.

If it were an ordinary person, they might have gone mad. Fortunately, hei xinjiu had been tormented by guai Cao before, so she did not have any inner demons, so she was safe.

Yun Chujiu spent a full four hours to comb through the power of lightning in her body. Since she had just broken through, she planned to break through again after a period of time, so that she could comb through the power of lightning in her dantian more concretely, when the time was right, she would break through again.

Hei Xinjiu glanced at the Phoenix Egg on the side and then remembered an important problem. It seemed that no one else could see the Phoenix Egg. Otherwise, there would have been demonic beasts coming.

Xiao Heiniao pouted and said, "What's so strange about that? ! The Phoenix Egg only reveals its aura when it's about to hatch. If it didn't have some life-saving means, it would have been eaten before it hatched."

Yun chujiu thought about it and it was true. When Xiao Heiniao hatched, it attracted a lot of people's attention. No one knew about the Phoenix Egg before.

"Eh? That's not right, Xiao Hei. Then why can I see this Phoenix Egg? When it didn't recognize its master, I could see it too! And you and Qiong Qi can see it too."Yun chujiu asked in confusion.

"We have noble status, so we can naturally see it. As for you, master, perhaps, perhaps it's because of the heavenly lightning spirit root!"Xiao Heiniao said with some uncertainty.

There were too many mysteries surrounding this black-hearted master. It was impossible to deduce with common sense that she was a pervert.

Yun chujiu didn't ask too much. This fellow felt that it was rare for him to be struck by lightning. Now that he was more or less sorted out, he could go out and be struck again.

Therefore, this fellow hugged the phoenix egg and said, "Little baby, open the exit. Master, I'm going out to be struck by lightning!"

The Phoenix egg shone again. Just as Hei Xinjiu left the divine Phoenix Valley, several bolts of heavenly lightning struck down on Hei Xinjiu.

Hei Xinjiu was fine, but she realized later that several bolts of heavenly lightning had struck the Phoenix Egg in her hands..

Hei Xinjiu's head buzzed. It was over! The Phoenix Egg that she had picked up with great difficulty was about to turn into a roasted egg!

Just as Hei Xinjiu was feeling regretful, she realized that the phoenix egg in her hands trembled. It seemed to be very happy..
