

The Yun Family's Ninth Child is an Imp! Chapter 3292

Just as Hei Xinjiu was in a daze., xiao Heiniaio pouted and said, "Master, are you stupid?"? "When I first broke my shell, I was struck by many lightning bolts with you. Although this weakling can't be compared to me, she won't die after being struck by a few lightning bolts."

Yun chujiu finally understood. However, she didn't dare to take the risk. If she were to be struck by a few more lightning bolts and turned into roasted eggs, it would be terrible. Therefore, she quickly put away the phoenix eggs.

Now that Hei Xinjiu had the divine Phoenix Valley, she suddenly felt more confident.

This guy was so cocky that he could shine with just a little sunshine!

"Hey! You idiot in the sky, Listen Up! If you don't want to embarrass yourself, get out of Here! Otherwise, I will scold you until you can't even find the north!"

"I have never seen such a stupid yun. During the day, I played a trick on you, but you were fooled. How can you be so stupid? You are not the stupidest among all the Wu Yun, are you?"

"Why are you trembling? Did you do something wrong that made you feel guilty?"

..

The dark clouds in the sky were twitching in anger. How could such a pervert appear in the sky high continent? ! No matter what, she had to be struck to death today!

The dark clouds kept striking at her violently. Hei Xinjiu was confident now. She even roasted a few spiritual potatoes in a good mood and ate them while being struck by lightning.

Wu Yun was so angry that he almost fainted! He had never seen a human who looked down on lightning like this. This guy was not human at all!

Wu Yun hacked for a whole night. Not only did he not kill Hei Xinjiu, he was even more active!

Wu Yun was so angry that he burst into tears!

It was raining cats and dogs!

No one bullied Yun like this. This pervert was too angry! Wu Wu, just you wait! I'll go back and find help. If I can't kill you, I'm Not Yun!

Wu Yun floated away while trembling. Hei Xinjiu pursed her lips and adjusted the power of lightning in her body. Only then did she summon the giant rabbit and return to a city.

Since Wu Yun had already floated away, the sky soon cleared up. A rainbow even appeared in the sky.

Hei xinjiu sighed in her heart. In the past, she had heard that after the storm, there would be a rainbow, but she did not feel anything. Now that she looked at the rainbow, she felt a sense of happiness as if she had just escaped death.

Yun chujiu's body suddenly flashed with a dazzling light. She had actually... broken through because of an epiphany!

Hei Xinjiu: "..."

She clearly wanted to break through slowly. She had clearly suppressed her spiritual energy, but she had broken through to the third level of the illusionary realm just like that. Was It really good?

Hei Xinjiu thought for a moment. It was good to increase the level of her spiritual power. This would also prove her mysterious identity as the emissary of the Divine Phoenix. Therefore, she adjusted the hidden spirit ring to the first level of spirit illusion.

Liao Sheng, who was lying in ambush not far away, and the guards of the Crown Prince's residence watched the little girl riding the rabbit, staring at the Rainbow in the sky, and suddenly had an epiphany... She had broken through? She had broken through! And she had broken through two levels at once?

Liao Sheng had never wanted to kill Yun Chujiu in the first place. After all, she was the messenger of the Divine Phoenix! Now that he saw the situation, he was even more anxious to retreat. He took out the voice transmission talisman and told the crown prince about Yun Chujiu's Epiphany, he did not expect the crown prince's tone to be even more ruthless. "Kill her, or else you won't have to come back."

Liao Sheng had no choice but to make a gesture to everyone. Once Yun Chujiu entered the ambush, he would immediately kill her.

Liao Sheng saw that Yun chujiu was about to enter their ambush, but he realized that the big rabbit had stopped moving..
