

The Yun Family's Ninth Child is an Imp! Chapter 3293

Hei Xinjiu jumped down from the big rabbit and pointed at the Rainbow in the sky. "Dazhuang, look at this rainbow. It's so special. There are seven colors!"

Liao Sheng and the rest, who were hiding in the dark, twitched their eyes. Wasn't that obvious? ! Of course, the Rainbow had seven colors!

"Dazhuang, look. The Rainbow is curved like a bridge!"

Liao Sheng and the others were already at their wit's end. It was like a wooden stake!

"Dazhuang, I've been saying Nice Things to you. You have to experience it properly. That's how I had an epiphany just now! be more serious!"

Liao Sheng and the others were shocked. Ah, so she was giving her spiritual pet an epiphany? So she was staring at the Rainbow in the Sky?

Everyone's faces were filled with excitement. Oh God, an Epiphany was a rare opportunity! They couldn't waste such an opportunity!

Thus, Liao Sheng and the rest raised their heads to look at the rainbow in the sky. TSK TSK, not to mention, they had never looked at it in detail before. From this point of view, the rainbow was quite beautiful.

However, although it was quite beautiful, there was nothing special about it!

At this moment, they heard Yun chujiu say, "Dazhuang, you have to close your eyes and feel it. You have to calm down and focus your mind. Slowly, you will be able to gain some enlightenment."

Liao Sheng and the rest subconsciously closed their eyes as well. Their minds were filled with a curved rainbow..

Just as they were fully focused on comprehending it, they felt a gust of wind pass by.

An ominous premonition immediately rose in their hearts. They hurriedly opened their eyes and saw Yun chujiu riding on a giant rabbit and running far away..

Damn it!

They had been tricked!

They had been tricked!

Liao Sheng stomped his feet. "What are you waiting for? ! Chase after her! If she returns to an city alive, we will be dead for sure!"

Hei Xinjiu saw that Liao Sheng and the others were moving very fast, so she simply kept the giant rabbit and ran forward with all her might.

Liao Sheng and the others were gnashing their teeth in anger!

They had been tricked just like that. It was a great humiliation! It was really strange. How did Yun Chujiu discover them? And how did she run so fast?

Seeing that Yun Chujiu was getting farther and farther away from them, Liao Sheng's heart sank. Oh No! It seemed that he couldn't catch up with her. He would inevitably be punished when he went back.

At this moment, another group of masked men appeared in front of Hei Xinjiu. Hei Xinjiu's footsteps came to an abrupt halt.

This fellow's heart was like a baying dog. He did not know if these two groups of people were in cahoots. Who exactly wanted to kill her?

Yun chujiu simply did not run away. Damn it, Xiao Hei could now use the nirvana fire. At worst, he could burn all these people to death, leaving none alive!

The Little Black Bird in the Spirit Beast Bag Shivered. Did Master Xiao Hei mishear something? It could use the nirvana fire, but there were dozens of people in total. It could not be burned to death even if it vomited blood!

Liao Sheng was also very puzzled. Who were the people in front? Could it be that the crown prince sent another group of people? But no matter who they were, as long as everyone had the same goal, it did not matter.

Everyone looked at the calm and composed Hei Xinjiu. She was surrounded by so many people, but there was not a trace of nervousness on her face. Could it be that she had a trump card?

Yun chujiu chuckled and said, "Although I am the Divine Phoenix Emissary, you don't have to come here to visit me, right? I appreciate your kindness. Move aside, I want to go home for dinner."

Whether it was Liao Sheng and the others or the people in front of them, they were all dumbfounded. This Yun Chujiu was too shameless!
