

## The Yun Family's Ninth Child is an Imp! Chapter 3295

When Yun Chujiu heard what Ji Mama said, she immediately understood why emperor Shengwu had given her the marriage. It was most likely the fifth Prince's doing.

Yun Chujiu had just entered the living room when she received many envious and jealous gazes.

The Old Princess Consort was really happy for her. She smiled and said, "Little Jiu, you came back just in time. The Emperor has just issued an edict to give you and the fifth prince the marriage. The wedding date will be set three months later on the 16th of October."

The fifth Prince looked at Yun Chujiu with a smile. He felt that although Yun Chujiu had previously rejected him in every possible way, now that the imperial edict had been issued, there was no room for her to reject him.

Yun chujiu sighed slightly. "Grandmother, I'll tell you the truth! One of the conditions for me to become the Divine Phoenix Emissary is that I can't get married for the rest of my life, so I can only give up on this marriage."

Hei Xinjiu did not even bother to draft out her lies. Anyway, after di beiming came out, she did not plan to stay in the Yun family anymore. Whatever Bullsh \* t Divine Phoenix emissary, she could be whoever she wanted to be!

The old consort stood up in shock, "What? Never get married for the rest of her life? Why would the divine Phoenix propose such a condition?"

The rest of the people also looked at Yun chujiu suspiciously. That's right, why would the divine Phoenix propose such a condition?

Yun chujiu spread her hands. "I don't know either. Maybe the Divine Phoenix has always been single, so it doesn't like to see others in pairs. I didn't dare to disobey the Divine Phoenix's orders, so I could only

swear a poison oath in front of it. If I disobeyed it, I would be struck by lightning and die a horrible death.”

The old princess sat on the chair dejectedly. The oath was easy to say. After all, it was not a blood oath, but the Divine Phoenix’s orders could not be disobeyed. If the Divine Phoenix was blamed, then it would be the destruction of her family!

The gazes of Yun Xi Luo and the others immediately turned into gloating. Initially, they were envious and jealous that this country bumpkin could marry the fifth prince, but they did not expect her to be an old lady for the rest of her life. How Pitiful!

The fifth Prince’s expression instantly darkened. He did not know whether this was really the divine Phoenix’s orders or Yun Chujiu’s excuse of not wanting to marry him.

The fifth prince gritted his teeth. Since she said so, then he would see if she would marry someone in the future. If she was lying, he would not forgive her.

The old prince saw that the fifth Prince’s expression was very ugly, so he could only smooth things over. “Your Highness, this, this is something that can not be helped. Later, I will personally meet the Emperor and tell him the reason for this matter.”

The fifth prince took a deep breath and then said, “It’s alright. Let’s just do as the Divine Phoenix says. I still have other matters to attend to, so I’ll take my leave now. I’ll have to trouble Miss Jiu to come out for a moment. I have something to say to you.”

Yun Chujiu was a hundred times unwilling, but she could not refuse, so she followed the fifth prince out of the reception hall.

The fifth Prince looked at her with deep affection, then he said, “Miss Jiu, although the Divine Phoenix forbade you from getting married, it did not forbid you from dating a man. How about this? We can get

along normally in the future. At worst, I Won't take a wife in the future, and my position as the first wife will always be vacant for you."

Yun Chujiu:"..."

What he said was really touching! The first wife will always be vacant for her? So it meant that she could take in any concubine she wanted?

Yun chujiu said indifferently, "Fifth prince, I appreciate your kindness. Forgive me for not being able to accept your kindness. As the Divine Phoenix Emissary, I want to be pure-hearted, have few desires, so you'd better find another good marriage!"

The fifth Prince's expression was a little ugly, but he still said, "Ninth miss, you might not be in a good mood today. We'll talk more in the future. Goodbye."
