

The Yun Family's Ninth Child is an Imp! Chapter 3302

Although the old Duke had given the tiger talisman to Yun Fengjian for a few years, most of the generals of the Yun family army were promoted by Yun Chujiu's father, Yun Fengjin. Therefore, the old Duke did not spend much effort to control the Yun family army.

Hei Xinjiu had people kill all of Yun Fengjian's trusted aides.

The old Duke was really shocked by Yun Chujiu's behavior. However, thinking that there was no benefit in being a woman, he let her be.

The old Duke led the Yun family army directly into an city and headed straight for the imperial palace.

Just as he arrived at the entrance of the imperial palace, he met Yun Fengjian, who was leading the Royal Guards. Yun Fengjian received a letter from his trusted aide, and only then did he realize that his tiger talisman had been swapped. One could imagine the grievance in his heart.

Yun Fengjian's face was gloomy as he said, "Father, what are you doing? ! Are you planning to Rebel?"

Yun chujiu sneered and said, "Uncle, I'm following the orders of the Divine Phoenix." Leng Tianche killed his father and killed his brother. He was not fit to be the emperor of our East Phoenix Kingdom. Therefore, we have to uphold justice for the heavens and uphold justice. "Surrender now. For the sake of our relatives, I'll spare your life."

Yun fengjian stared at Yun chujiu coldly and said, "So you're the one who instigated this! I shouldn't have brought you back in the first place. Father, Our Yun family has always been a loyal family. Are you really going to rebel?"

The old prince sighed. "Beast! Do you really need me to say what you have done? ! Moreover, this is the decree of the Divine Phoenix. Being loyal to the monarch is important, but the decree of the Divine Phoenix is more important. Surrender!"

Yun fengjian laughed sinisterly. "Father, you forced me to do this! Bring Them Up!"

Following Yun Fengjian's words, the old princess consort and the other members of the Yun family were brought up.

"Father, if you insist on doing this, don't blame me for being impolite! Even if I die, I will let these people die with me!"

The Old Royal Highness was so angry that he almost vomited blood. He trembled and said, "Beast! Beast! You, you, are simply Inhuman!"

Yun fengjian sneered and said, "This is all because you forced me. I have no choice. In order to be loyal to the emperor, I can only use this method. You hand over the Tiger Talisman immediately, or else I will start a massacre."

The people of the Yun family were all trembling. They had already begged Yun fengjian, Zheng Shi, and the others, so it was naturally useless. At this moment, they all looked at the old duke with pleading faces.

The old Duke was angry and anxious. He didn't know what to do for a moment.

Yun chujia clapped her hands. Yun Zhifeng was thrown to the ground like a dead dog. Yun chujia smiled and said, "Uncle, I advise you to surrender. Otherwise, I will kill cousin Zhifeng."

Yun fengjian gritted his teeth. His son could be born again without him. He knew that if he surrendered, he would not have a good ending, so he gritted his teeth and said, "B * Tch! If I dare to kill Zhifeng, I will kill all the people behind me!"

“I’ll give you the same words. If you kill those people behind you, I will kill Yun Zhifeng,” Yun Chujiu said with a cold smile. Who would not know how to threaten people!

For a moment, the two sides were in a stalemate.

After fifteen minutes, a trace of ruthlessness flashed across Yun Fengjian’s face. “Father, if you still don’t hand over the Tiger Talisman, I’m going to make my move.”

At this moment, chaos broke out behind Yun Fengjian. It turned out that Yun Zhichen had already arranged for people to sneak into the imperial palace. It was just that he didn’t find a suitable opportunity to save people at the moment.

Yun chujiu waved her hand. “Go! Kill them all. Leave No one alive.”

The Yun family soldiers were supposed to only listen to the old lord’s orders, but they all rushed forward at this moment because Hei Xinjiu was holding a tiger talisman in her hand.
