

The Yun Family's Ninth Child is an Imp! Chapter 3307

The monarch of the North Mystic Kingdom suggested that rather than being passive, it would be better to take the initiative to attack and formulate some policies to restrict the merchants of the East Phoenix Kingdom.

The monarchs of the South Dragon Kingdom and the West Tiger Kingdom felt that what he said made sense and responded one after another. As a result, the Three Kingdoms issued some regulations one after another, all of which were aimed at the merchants of the East Phoenix Kingdom. In a short period of time, the merchants of the East Phoenix Kingdom suffered heavy losses.

Yun Zhichen found Yun chujiu with a burning fire. "Your Majesty, the Three Kingdoms of the Southern Dragon Kingdom are ganging up on our East Phoenix Kingdom. If this continues, the merchants will suffer heavy losses. Who knows what kind of trouble they might cause?"

The corners of Yun Chujiu's mouth curled up. "What are you afraid of? ! They are targeting us, so we won't target them? ! Are You Stupid? !"

The corner of Yun Zhichen's mouth twitched: "Your Majesty, we are one against three, how can we be their match? ! Moreover, how can we target them? There aren't many merchants from the other three countries in our East Phoenix Country, even if we target them, we will not be able to recover much of our losses."

Yun chujiu revealed an unfathomable smile: "Isn't this simple? Then let them have no time to target us!"

He looked at Yun chujiu with a blank expression. "Your Majesty, What do you mean by that?"

"If I remember correctly, the spirit stone mine in Pingluo Mountain is located on the border between the Southern Dragon Kingdom and the Western Tiger Kingdom. It's shared between the two kingdoms, right?" Yun chujiu asked instead of answering.

Yun zhichen nodded. "That's right. At that time, the two kingdoms even fought a war over the ownership of the Spirit Stone mine. After that, the two sides signed a contract, and that was the end of it."

"Arrange for people with high spiritual power to rob the spirit stones extracted from the West Tiger Country. First, they pretended to be people from the southern dragon country to sow discord between the two countries.

If they were found out, then they would be led to find out that the mastermind was the north mystic country.

"Oh right, send someone to send a letter to the north mystic country saying that we are friendly neighbors. In the future, we will reduce the taxes on the north mystic country's merchants by half," Yun Chujiu said with a smile.

Yun Zhichen: "..."

Your Majesty, is it really good for you to be so sarcastic?

If that was the case, it would be a miracle if the South Dragon Kingdom and the West Tiger Kingdom did not suspect that there was something fishy going on between the North Xuan Kingdom and their East Phoenix Kingdom! The alliance between the Three Kingdoms would definitely be loosened. Moreover, if they were lucky, they might even be able to start a war between the South Dragon Kingdom and the West Tiger Kingdom.

Yun chujiu continued, "In order to prove the crime of the North Xuan Kingdom, don't you have some of the privacy of the officials of the South Dragon Kingdom and the West Tiger Kingdom that you have collected? "Choose some explosive ones and spread them out. Then, mix in some rumors about the princes of the two kingdoms and make them fight among themselves.

“Also, help the South Dragon Kingdom and the West Tiger Kingdom dig out a few spies of the North Mystic Kingdom in those two kingdoms and do it cleanly and beautifully.”

Yun Zhichen looked at Yun chujiu with a dumbfounded face. Damn it. Fortunately, he was wise and did not fight with her for the throne. Just this man’s bad water could torture him to death thousands of times.

Yun Zhichen immediately arranged for people to follow Hei Xinjiu’s instructions. It did not take long before he heard that the Southern Dragon Kingdom and the Western Tiger Kingdom had a huge falling out.

The northern Xuan Kingdom had sent an envoy to mediate, and it was immediately discovered that the mastermind was the northern Xuan Kingdom.

The northern Xuan Kingdom had yet to explain clearly about the matter of snatching the Spirit Stone Mine, and the Southern Dragon Kingdom and the Western Tiger Kingdom had caught a few spies from the northern Xuan Kingdom within their respective countries.

The most infuriating thing was that the South Dragon Kingdom and the West Tiger Kingdom had even heard that the East Phoenix Kingdom had given the North Mystic Kingdom a certain preferential policy. It turned out that the East Phoenix Kingdom and the North Mystic Kingdom were actually one and the same. were they treating the two countries as fools? !
