

## The Yun Family's Ninth Child is an Imp! Chapter 3331

The judge of the Southern Dragon Country casually picked up a talisman and then stood there like a wooden chicken.

The host thought to himself, damn it! I told you to show off! I told you to not know the immensity of Heaven and earth! Are you shocked? Are you dumbfounded? What shocked you is still to come!

The other judges saw that the judge of the Southern Dragon Country had a dull look on his face and could not help but be puzzled. They hurriedly walked over and looked at the talisman in his hand.

One of the referees cried out in shock, "Transcendent grade! It's actually a transcendent grade Phantom Talisman!"

The two referees from the East Phoenix country almost hugged their heads and cried bitterly. Even if the East Phoenix country was still number one in the end, with this transcendent grade Phantom Talisman, their East Phoenix Country could be considered to be able to hold their heads high!

When Lu Chengfei heard the referees mention the transcendent grade Phantom Talisman, his head buzzed. However, he consoled himself that even if he could draw a transcendent grade phantom talisman, so what.., that Yi Dingying couldn't possibly have more points than him.

Right at this moment, one of the eastern Phoenix Country's judges let out a roar, and tears streamed down his face as he wailed loudly, "Our Eastern Phoenix Country has finally produced a talisman-making genius! The heavens really have eyes! The heavens have blessed our eastern Phoenix Country!"

Whether it was Lu Chengfei or the onlookers, they all felt that this judge was too exaggerated, right? Although the super grade talisman seal was very difficult, wasn't it just a dog, shit, or lucky drawing? Was there a need to be so excited?

Right at this moment, the other referee from East Phoenix also howled. He was even more excited than the previous referee, he said incoherently, "First! First! Our East Phoenix is the first place in the talisman-making competition! hahaha!"

Prime Minister Sima covered his eyes with his hand. Damn it, he couldn't bear to look at them! If he had known that these two people's psychological quality was so bad, he wouldn't have sent them to be the judges no matter what. It was simply too embarrassing!

Their East Phoenix Kingdom's points were currently less than the South Dragon Kingdom's by more than 30 points. Although that Yi Dingying had drawn a transcendent-grade talisman seal, his points couldn't possibly exceed 30 points. Could it be that these two judges didn't know how to count?

At this moment, the referees' exclamations and gasps rang out one after another on the competition stage, mixed with sounds like "Genius", "Impossible", "This is simply a miracle" and so on.

Everyone was very puzzled. What on Earth had happened?

One by one, they stretched their necks to look at the stage. Unfortunately, they were too far away and couldn't see anything at all.

Finally, those referees calmed down. However, the two referees from the south dragon country were flushed red in the face and looked ashamed and indignant.

The two referees from the eastern Phoenix Kingdom were beaming with joy. They looked at Yi Dingying as if he was... an ancestor made of spirit stones.

The host was very satisfied with the shocking scene of these people. In comparison, he had been too calm before, okay?

He cleared his throat and announced loudly, "Contestant No. 12, Yi Dingying wins. He has four supreme-grade Phantom Talismans and 40 points.

The total results of the talisman-making competition are as follows: first place, East Phoenix Kingdom, 74 points, second place, South Dragon Kingdom, 66 points..."

Prime Minister Sima was stunned at first, then he jumped up from his seat and jumped more than three feet high, "Haha! Haha! We are first place! Haha! We won! Our East Phoenix Kingdom actually won two first places! Haha!"

Yun Zhichen:" ..."

Was this still the old prime minister who was always reminding his majesty about his bearing?

The subjects of East Phoenix Kingdom also began to cheer wildly, one by one they cried out, the cheers were simply deafening!
