

## The Yun Family's Ninth Child is an Imp! Chapter 3333

Yun Zhichen finally managed to stop prime minister Sima who insisted on going back to the headquarters to complain to Empress Jiu. He felt so tired!

Prime Minister Sima was originally a very stable old man. Why did he become so... Lively Now? He must have been led astray by His Majesty!

Prime Minister Sima was like a chatterbox. He kept chattering beside Yun zhichen. The general content was nothing more than His Majesty's fortune reaching the heavens. His Majesty had brought great fortune to the East Phoenix Kingdom!

From now on, the East Phoenix Kingdom would no longer be the last in a thousand years. From now on, the East Phoenix Kingdom would have to hold its head up high.

Emperor Nan Xuan and the other two gritted their teeth when they heard this. Emperor nan Xuan said disdainfully, "Isn't it too easy for the East Phoenix Kingdom to be satisfied? Last Time, our South Dragon Kingdom obtained the first place in three events. We weren't as smug as them."

Emperor Xiwen curled his lips. "They are just poor people who suddenly became rich. How can they compare with our three kingdoms?"

"Exactly. This time, they just got lucky. I don't know where they came from, but all of them won and Yi Ding won. I don't believe that they can come out and win during the Beast Taming Competition!" Emperor bei Jing said disdainfully.

..

After lunch, the Beast Taming competition began.

Prime Minister Sima was extremely relaxed now. No matter what the results of the Beast Taming competition and the spiritual power competition were, their East Phoenix Country had already greatly exceeded their mission this time. It was simply wonderful!

However, when he saw the contestants on the competition stage, he couldn't help but sit up straight. Oh My, another little girl had appeared. Could it be that they had won again this time?

He was not the only one who thought so. Everyone looked at the little girl. Strange things happened every year, and this year, there were especially many!

The East Phoenix Country was only at the first level of the Spirit Illusion Realm this year. This little girl's spiritual power level was really weak! Moreover, her face was sallow, and her looks were really not that good.

The host deliberately took a look at the name list. When his gaze landed on the last contestant's name, the corner of his eyes twitched violently.

After a pause, he began to announce the names of the contestants one by one. "Zheng Heshun of the South Dragon Kingdom, Hong Xingfa... Bi Xuying of the East Phoenix Kingdom."

Emperor Nan Xuan and the other two, as well as all the onlookers, were already numb to this kind of trick. This little girl was probably called Bi Xuying.

The names of the people of the East Phoenix Kingdom were really weird. It was simply a team win!

Seeing that everyone had a look of understanding, the host simply did not explain further. He continued, "The content of today's beast taming competition is to control the blood-sucking warblers. The time limit is four hours. The points will be evaluated according to the number of successful taming."

Following the host's words, the twelve contestants entered a transparent barrier. Then, a referee placed twenty blood-sucking warblers inside.

At this moment, there was an uproar in the audience!

Wasn't this too F \* cking difficult? !

The blood-sucking warbler had a sharp beak and flew extremely fast. If one was accidentally pecked by it, it would quickly suck human blood. It was very brutal.

Moreover, as everyone knew, the blood-sucking warbler was the most unruly demon bird. After the blood-sucking warbler was caught, it would rather commit suicide than be tamed as a human's spiritual pet.

How could these contestants successfully tame the blood-sucking warblers? If things went wrong, they might even get injured, especially when Bi Xuying only had level one spiritual power. She was simply looking for trouble!

The blood-sucking warblers had obviously been starved for a few days. Their eyes were filled with a fierce light as they could not help but look at Bi Xuying, who had the weakest spiritual power..
