

## The Yun Family's Ninth Child is an Imp! Chapter 334

Bai Moyu's eyes flickered a few times. "Morou, watch your mouth!! Yun Chujiu will be in big trouble very soon. Yanran's cousin will definitely pin Zhang Xiong's death on Yun Chujiu. Elder Zhang and the Heavenly Gates Sect will not let this go so easily."

Bai Morou stomped her feet hatefully. "Brother, I understand! But this Yun Chujiu is really difficult to deal with. Can Elder Zhang do it?"

"HMPH! The Heavenly Gates Sect has long been dissatisfied with our Spirit Radiance Sect. They just happened to use this as an excuse to make things difficult for us. I don't believe that the sect leader and the others will really have a fall out with the Heavenly Gates Sect over Yun Chujiu! Yun Chujiu must die this time!" Bai Moyu said with certainty.

"Oh right, there's the few male disciples who have just been promoted to the inner sect. If you have nothing to do, go and get in touch with them. It'll be useful in the future!" Bai Moyu's eyes flashed as he instructed.

Yun Chushan was now obedient to the Bai siblings, so she naturally had no objections.

Bai Morou was also happily enjoying the feeling of being adored by everyone, so she also happily agreed.

Yun Chujiu finally got rid of the enthusiastic Chen Dachuan and the others, and was once again surrounded by Yun Chusi and company.

After a few moments, Su Yun also joined Yun Chuwu and the others. She said excitedly, "Junior Sister Little Jiu, it's all thanks to the things you gave us. Otherwise, how would we be able to rank in the top thirty?"

After killing Zhang Xiong and the other three, Yun Chujiu gave the spoils of war to Yun Chuwu and the other two. She asked them to divide the spoils equally among Yun Chusi and the others.

Yun Chujiu said seriously, "Senior Sister Su Yun, brothers and sisters, you must keep your mouths shut about the spoils of war that I gave you. You must remember that these things were either obtained by yourselves or picked up by others! Do you understand?"

Su Yun and the others were stunned at first, then they understood Yun Chujiu's intention and nodded. "Little Jiu, we understand!"

"I'm going to the spirit herb garden to look for Elder Qi. We'll talk another day. All of you have to cultivate properly. Don't let others take us as a joke!" Yun Chujiu instructed and flew to the spirit herb garden on the chopping board.

"Elder Qi! Elder Qi! I've brought you something good!"

Elder Qi laughed bitterly. "Little Ancestor Yun, don't pull my leg! What good thing can you give me? You've almost taken away all the medicinal herbs out of my spirit herb garden!"

Yun Chujiu laughed dryly. "Elder Qi, didn't I say it? I'm just an ordinary disciple of Spirit Radiance Sect! Don't let it slip next time! I did borrow a lot of medicinal herbs from you, but I've really brought you something good this time! La la la~ What do you think this is?"

Elder Qi looked at it casually and then cried out in surprise, "T-This is the fruit of the golden thread grass? Where did you get it?"

"I got it by accident during the trial. You can use it to refine spirit replenishing pills!" Yun Chujiu said with a smile.

Elder Qi excitedly took the fruit. “Little Jiu, what compensation do you want? As long as I have it, I’ll give it to you!”

Yun Chujiu shook her head. “Last time, it was because of my negligence that the fruit was snatched by the red-clothed pervert. I’m trying to make up for my mistake. I don’t need any compensation!”

Elder Qi saw that Yun Chujiu was reasonable, so he was really not used to it for a moment.

“Elder Qi, teach me how to refine pills!” Yun Chujiu blinked her eyes. It was really too troublesome to secretly refine pills.

Elder Qi was short-handed. Moreover, he originally wanted to train Yun Chujiu to be an apprentice alchemist. Now that Yun Chujiu had spiritual power, it was not impossible for her to try refining pills! Yun Chujiu had a heavenly Thunder Root Spirit. Perhaps she really had the talent to refine pills!

However, when Elder Qi thought of the ‘poisonous smoke’ incident that Manager Gao had reported to him, he was somewhat uncertain. Was Yun Chujiu really of pill refining material?
