

The Yun Family's Ninth Child is an Imp! Chapter 3340

Before the contestant could finish his sentence, Yun Chujiu, who had been sitting lazily on the chair, immediately flew up and landed on the stage.

“Are you going to die or do you want me to kill you?”

Yun chujiu stared coldly at the contestant, her eyes filled with killing intent!

The contestant was just trying to talk his way out of it. Who would have thought that Yun Chujiu, as the ruler of a country, would actually come to the stage to threaten him? He was instantly stunned.

He subconsciously took a few steps back, but when he thought about it, this was a competition stage. Even if he had spoken carelessly just now, could the female emperor of Zephyr kill someone in public?

Moreover, he was a member of the Southern Dragon Kingdom and not the East Phoenix Kingdom. What could she do to him? !

When he thought of this, his confidence suddenly increased a lot. He said arrogantly, “Your Majesty, What I said is the truth. If you are not convinced, you can just fight me.”

That contestant was certain that Yun chujiu could fight him. He was at the fifth level of the spirit transformation realm and was considered to be one of the top existences in the four nations. This female Emperor Fenghua was only at the first level of the spirit transformation realm. If she accepted the challenge, she would be courting death.

Commander Pang led a few generals and jumped onto the stage. “Your Majesty, leave it to us to handle.”

Yun Chujiu's body was filled with a cold killing intent. She waved her hand and said, "All of you, go down. I want to kill him with my own hands! Let everyone know that if anyone dares to insult my elders, I will not let them off easily."

Although Commander Pang and the others were extremely worried, they still jumped off the stage. However, they did not go far, afraid that something would happen to Yun Chujiu.

Everyone was stunned by this unexpected turn of events. They never expected that not only would the female emperor of Fenghua jump onto the stage, but she would also accept the challenge from the Southern Dragon Kingdom's Yuan Dong. Was she crazy?

That Yuan Dong was at the fifth level of the spirit transformation realm. She was only at the first level of the spirit illusion realm. This was simply hitting a rock with an egg!

Prime Minister Sima was so anxious that his forehead was covered in sweat. Your Majesty, you are usually very astute. Why are you so muddle-headed today? Although that Yuan Dong's crime of insulting the retired emperor was unforgivable, there was no need for you to do it yourself!

Yun Zhichen was not too surprised. The nuns of the Yun family's nunnery hall had abused second aunt. More than a dozen people had been chopped up by this ninth sister!

Yun Fengjian's family had been killed because they had the intention to harm second aunt. It was clear that this ninth sister was protecting her parents.

This Yuan Dong had insulted second uncle in front of the people of the four kingdoms. If ninth sister did not do anything, it would be a miracle!

However, the difference in spiritual power was so big. Could ninth sister win?

Emperor Nan Xuan and the other two felt a little strange. On one hand, they wished that Yuan Dong could teach this Empress Fenghua a lesson. On the other hand, they were shocked by the Empress Fenghua's courage.

Even in his dreams, Yuan Dong did not expect that Yun chujiu would actually dare to fight with him. He turned his head and glanced at Emperor Nan Xuan. When he saw that Emperor Nan Xuan nodded his head indiscernibly, he instantly felt more confident.

As long as he killed the female emperor, he would be the number one hero of the Southern Dragon Kingdom. His promotion and wealth were just around the corner. It was like a big pie falling from the sky!

Therefore, he looked at Yun chujiu with disdain and said, "Since your Majesty has such an elegant mood, let's have a competition! However, this sword has no eyes. If it hurts you, Don't blame me."

"Since you are on the competition stage, life and death are determined by Fate! I am the ruler of a kingdom. I will let you have three moves first. Make Your Move!" Yun Chujiu said lightly.
