

The Yun Family's Ninth Child is an Imp! Chapter 3350

As soon as Lord Wu finished his words, the meeting hall fell silent.

Lord Wu's words were obviously humiliating Yun chujiu and asking the ruler of a country to perform in public? If this wasn't humiliation, then what was it?

However, what would the female Emperor of Zephyr Do? Would she cry and ask Mu Xuan for Justice? Or would she really sing a song?

Just as everyone was gloating, they saw Yun chujiu stand up. Everyone thought, "TSK, tsk. Looks like the female emperor of Fenghua is really going to perform. She really is from a low-class country. She doesn't know her place at all."

Just as everyone was thinking, they saw Yun Chujiu walk to the center of the hall. However, she didn't stop. She walked all the way to Lord Wu's table.

Everyone was baffled. What was she trying to do?

"Lord Wu, what did you say just now? I was too far away and did not hear clearly,"yun chujiu said lightly.

Lord Wu pursed his lips, but he still repeated, "I said, I heard that His Majesty Fenghua is good at singing and dancing. Why Don't you let us open our eyes too! Everyone, do you want to see?"

The crowd also started to jeer. Emperor Nan Xuan and the other two had ugly expressions on their faces. Although they were not the ones who were put in a difficult position, they also felt ashamed when the rabbit died and the Fox mourned.

PA!

With a loud sound, all the jeers suddenly stopped!

Lord Wu covered his cheeks and stared at Yun chujiu in disbelief. She actually slapped him? How would she dare?

While Lord Wu was in a Daze, Yun chujiu slapped him again. This time, she used even more strength than before, causing Lord Wu to stumble and the dishes on the square table to fall to the ground.

Everyone was stunned by this turn of events. Had the female Emperor Gone Mad? Did she think that this was their East Phoenix Country?

Lord Wu was a second-grade official of the Jing Mu Country and was considered a respectable figure. How dare she slap him twice?

At this moment, Yun Chujiu suddenly walked to the center of the meeting hall. She first bowed to Mu Xuan and then said with a choked voice,

“Your Majesty Mu Xuan, I acted rashly just now. Please Punish Me! However, I am the future side-concubine of the crown prince. Lord Wu actually asked me to perform a song and dance. It is an insult to the crown prince and even to your Majesty!

“Therefore, I was angry and did something wrong. Please Punish Me!”

Mu Xuan naturally knew that Lord Wu’s purpose was to humiliate Yun chujiu, not to humiliate him and the crown prince. However, after Yun Chujiu said that, he could not protect Lord Wu.

Therefore, he put down the wine glass in his hand and said sternly, “Lord Wu, what crime should you commit? !”

Lord Wu rolled and crawled on the ground. He could not defend himself, so he kowtowed and said, “I drank a few times more, so I spouted nonsense. Please Punish Me, Your Majesty.”

“Get Out! I will punish you for a year!” Mu Xuan Emperor said coldly.

“Thank You, Your Majesty. Thank you for your kindness, Lord Wu!” Lord Wu said as he rolled and crawled away.

After this incident, the way everyone looked at Yun Chujiu had a subtle change. This female emperor of Zephyr was really scheming. She actually dealt with Lord Wu just like that.

Some people couldn't help but look at Liu Hanyan. This female emperor of Zephyr was so powerful. When the time came, it would be enough to make Liu Hanyan suffer.

However, everyone thought about it. After the female Emperor of Zephyr married into the country, she was unfamiliar with the place. No matter how scheming she was, she wouldn't be able to stir up any waves. Liu Hanyan could kill her with a flick of her finger.

Moreover, if it was not for the desire to annex the East Phoenix Kingdom, their crown prince would not have taken a fancy to such a useless female emperor of Zephyr!
