

The Yun Family's Ninth Child is an Imp! Chapter 3353

Yun chujiu put Xiao Heiniaoyun and Xiao Mogu into her spiritual beast bag. Then, she stood up and smiled at Wu Yun in the sky:

"Xiao Heiniaoyun, I have to thank you. Not only did you help me break through, but you also helped me solve a big problem! I love you, Mwah!"

Wu Yun was dumbfounded. Did this stupid girl go crazy from being struck by it? What kind of nonsense was this? She was even touching and beating it up? ! Did she want to take advantage of it? ! Female, Hooligan!

Just as Wu Yun was feeling suspicious, he saw Yun Chujiu Stand Up and run out.

Wu Yun came back to his senses and started to chase after this fellow. Did she want to run? No Way!

Hence, the crowd outside the courier station watched helplessly as empress jiu, dressed in red, ran towards them with a string of purple heavenly lightning. They were all so frightened that they scattered and ran in all directions.

Prime Minister Sima was scared silly!

He stood rooted to the ground in a daze. Fortunately, Yun Chujiu suddenly turned a corner and ran towards the direction of the palace.

This fellow ran while shouting, "Not good! The Divine Phoenix is angry! The Divine Phoenix didn't allow me to marry. Now that she knows that I'm going to marry the crown prince of the Jing Mu Kingdom, the Heavenly Lightning has come to strike me!"

“I must immediately find the emperor of the Jing Mu Kingdom and ask him to take back his orders. Otherwise, I will really be struck to death!”

Everyone was confused after hearing this. Fortunately, Prime Minister Sima came back to his senses. It was unknown whether he was frightened or not, but he suddenly understood Yun Chujiu’s intentions. He immediately explained loudly to the crowd,

“Back then, the fifth Prince of the previous dynasty wanted to marry our emperor. Back then, our Emperor said that because she was the messenger of the Divine Phoenix, the Divine Phoenix would not allow her to marry anyone.

“Back then, we were still skeptical. Now that we have seen it, it is indeed the case! “Just because our emperor wanted to agree to the request of the crown prince of the Jing Mu Kingdom, now he is going to be struck by lightning! “As expected, the orders of the divine beast can not be disobeyed!”

Emperor Nan Xuan and the other two had heard of this matter before, and they could not help but nod their heads. It seemed that it was not so easy to be the divine Phoenix Messenger. This little girl was destined to be an old lady for the rest of her life!

However, the Lightning was so dense. It was hard to say if she would survive the night!

Although everyone was afraid, they were really curious. Hence, they followed Yun chujiu from afar to observe.

Yun chujiu ran all the way to the imperial palace. When she passed by the Prime Minister’s residence, this bad guy appeared.

Wasn’t Liu Hanyan trying to trip her up? Today, she could let little slut Yun deal with her.

Hence, this fellow ran to the entrance of the Prime Minister's residence and shouted, "Open the door! Open the door! I want to see the Emperor!"

The people in the distance were all dumbfounded. This empress Fenghua must have been muddled by the Lightning! That was the Prime Minister's residence, how could it be a royal palace? !

The guards guarding the Prime Minister's residence had been scared away when a string of purple heavenly lightning arrived. Hence, Yun Chujiu kicked open the door and ran in with a string of heavenly lightning.

"Your Majesty! Take Back your order quickly! Otherwise, I will be struck to death by the lightning bolts!" Yun chujiu shouted as she ran to the backyard.

It was inevitable that the lightning bolts could not hit accurately. Therefore, wherever this guy went, it was a mess. The Prime Minister's mansion was in bad luck!

Imperial Chancellor Liu saw a string of purple lightning bolts striking toward his yard. He was so scared that his legs were a little weak. After hearing Yun Chujiu's shout, he shouted, "This is the prime minister's Mansion!" He subconsciously shouted, "This is the Imperial Chancellor's residence, the imperial palace is to the south of the scenery city!"

Yun chujiu shouted, "Ah, so I have come to the wrong place? Thank you for your reminder, Imperial Chancellor Liu. I will go to His Majesty Mu Xuan to take back my order!"
