

The Yun Family's Ninth Child is an Imp! Chapter 3359

Jing Jiahong had thought that he would be able to take the East Phoenix Country without a single soldier. However, he didn't expect that he would be interrupted by a bolt of lightning.

After the initial panic, Mu Xuan Emperor and the others realized that something was wrong. In the end, they decided to take the four emperors as hostages. They weren't afraid that their subjects wouldn't obey them.

That was why Jing Jiahong had brought his troops to capture the four men.

He had thought that it would be easy to capture the four men. However, he had not expected that they would escape after two days of chasing.

However, they had lost their minds. They would definitely die if they entered the spirit-extminating valley!

As long as they died, the four countries would definitely fall into civil strife. At that time, the Jing Wood Kingdom would be able to take control of the four countries under the pretext of mediation. It would be better than the previous plan.

Jing Jiahong thought as he led his men to chase after Yun Chujiu. Yun Chujiu and the others ran as fast as they could.

Emperor Nan Xuan and the others once again witnessed Yun Chujiu's ability to escape. Her spiritual power was obviously much lower than theirs, but she ran faster than them. What the hell!

After running for a long time, they realized that the people of the Jing Wood Kingdom had stopped chasing after them. were they safe now?

However, when they summoned their flying spiritual devices, they realized that they couldn't take off. Was it forbidden to fly here?

Then, they realized that this valley was eerily quiet. Apart from the spiritual plants on the ground, there wasn't a single demonic beast! To be exact, there wasn't even a single demonic insect.

Emperor Nan Xuan panted heavily and said, "Your Majesty Fenghua, something is obviously wrong here. What should we do now?"

Yun Chujiu raised her eyebrows. "We will definitely die if we go out, but we might die if we stay here. What do you think we should do?"

Emperor Nan Xuan: "...alright, just pretend that he didn't say anything.

Yun chujiu continued, "Anyway, they won't catch up. Everyone, sit down and rest. Eat something. We will make our next move."

Everyone was also exhausted. Hearing her words, they all sat on the ground.

After a while, Yun chujiu looked at Emperor Nan Xuan and the other two and said, "The people of the Jingmu Kingdom must be blocking us at the entrance of the valley. If we want to escape, we can only continue to go in and see if there is a way out. What do you think?"

Emperor Nan Xuan and the other two glared at Yun Chujiu. Do they still have a choice now? They were now in the boat of this wretched girl. They couldn't get out even if they wanted to!

Seeing that everyone "Agreed"with her opinion, Yun Chujiu waved her paw and said, "Let's go. Let's keep going. I want to see what's so scary in this valley. I'm a little excited just thinking about it!"

Emperor Nan Xuan and the others were so angry that their teeth were itching. You Pervert! They were about to die, but they were still excited. What was there to be excited about!

Just as everyone was cursing in their hearts, they heard Yun chujiu pull her neck and shout, "Hey! Is anyone breathing? Is there anyone who can talk? Come out and talk!"

Yun chujiu shouted for a long time, but there was no movement, and there was nothing unusual.

This fellow smiled and said to Emperor Nan Xuan and the others, "The things in this valley probably saw that I'm devastatingly beautiful and kind-hearted, so they couldn't bear to harm me. You Can Count on me!"

Emperor Nan Xuan and the other two were so angry that they were speechless! Could you be any more shameless? Count on you? Damn it, they were really unlucky for eight lifetimes!
